AGREEMENT

This Agreement ("Agreement"), effective as of February 28, 2012, is made by and on behalf of the following entities: (1) the Office of Hawaiian Affairs (hereinafter referred to as "OHA"), a body corporate existing under the Constitution and laws of the State of Hawai‘i, whose principal place of business and mailing address is 711 Kapi‘olani Boulevard, Suite 500, Honolulu, Hawai‘i, 96813; and (2) the State of Hawai‘i (hereinafter referred to as "STATE"), a state of the United States of America. OHA and STATE are referred to collectively herein as the "Parties.”

THE PARTIES TO THIS AGREEMENT HEREBY AGREE AS FOLLOWS:

1. Purpose.

The purpose of this Agreement and the legislation drafted by the Parties (attached hereto as Exhibit "A," and hereinafter referred to as the "Proposed Legislation") is to resolve, finally and completely, any and all claims, disputes and controversies relating to OHA’s portion of the income and proceeds from the public land trust lands under sections 4 and 6 of article XII of the State Constitution, and any related statute or act, between November 7, 1978 up to and including June 30, 2012.

This Agreement does not address, is not intended to address, and shall have no effect upon claims, disputes and controversies which may exist, relating to Hawaiian sovereignty, the overthrow of the Hawaiian Kingdom including any alleged claims to crown, government or submerged lands, the Hawaiian Homes Commission Act, or claims against the United States.

The full implementation of this Agreement is contingent upon passage of the Proposed Legislation by the Twenty-Sixth Legislature of the State of Hawaii. The Governor shall submit the Proposed Legislation to the Twenty-Sixth Legislature during the 2012 Regular Session, on behalf of the Parties.

If the Proposed Legislation is not enacted during the 2012 regular session of the Twenty-Sixth Legislature, this Agreement shall be null and void ab initio. In the event that the Proposed Legislation is enacted during the 2012 regular session of the Twenty-Sixth Legislature with material changes from the form attached hereto as Exhibit “A”, this Agreement shall be
null and void ab initio, unless all such material changes are agreed to in writing by both Parties within thirty (30) days of enactment of the Proposed Legislation as revised by the Twenty-Sixth Legislature. For purposes of this Agreement, the Proposed Legislation shall be deemed to have been enacted when it is signed into law by the Governor.

If, pursuant to the paragraph immediately above, this Agreement is not rendered null and void ab initio as a result of material changes to the Proposed Legislation as revised by the Twenty-Sixth Legislature, and a provision of this Agreement is inconsistent with a provision in the act the Legislature enacts, the provision in the enacted law shall control.

The Parties acknowledge that this Agreement is contingent upon passage of legislation to implement all of its provisions. Nonetheless, unless and until the Agreement is rendered null and void ab initio or otherwise terminated as set forth herein, the Parties mutually agree that all of the terms of the Agreement are binding upon them.

3. Consideration.

A. Release, Waiver, Discharge, and Extinguishment of Claims Against the STATE.

OHA, for itself and its beneficiaries and/or any person who may claim by, through or under OHA, hereby releases, waives, relinquishes, and forever discharges any and all claims, disputes, controversies, actions, causes of action, demands, claims for relief, liability, liabilities, costs, compensations, injuries, losses, damages or expenses of any kind or nature, whether known or unknown, contingent or uncertain, patent or latent, whether at law or in equity, now existing or hereafter arising, established, or inchoate, including any claim or action under chapter 661, Hawaii Revised Statutes, or for breach of trust under chapter 673, Hawaii Revised Statutes, that have been asserted or could have been asserted, or could be asserted in the future against the STATE by OHA or any other person or entity claiming by, through, or under OHA, in any manner arising out of, growing out of, connected with or traceable either directly or indirectly to, concerning or in any way related to any right OHA, or any other person or entity claiming by, through, or under OHA may have or may have had to the income and proceeds, and/or any other tangible right, item, or benefit related to said income and proceeds, from the public land trust lands, under sections 4 and 6 of article XII of the Constitution.
or any related statute or act, between November 7, 1978 up to and including June 30, 2012.

Each and every claim or suit that is predicated in any way upon an act or omission that arises out of or is in any way related to any right OHA, or any other person or entity claiming by, through, or under OHA, may have or may have had to the income and proceeds, and/or any other tangible right, item, benefit or claim or action under chapter 661, Hawaii Revised Statutes, or for breach of trust under chapter 673, Hawaii Revised Statutes related to said income and proceeds, from the public land trust lands, under sections 4 and 6 of article XII of the Constitution or any related statute or act, between November 7, 1978 up to and including June 30, 2012, is hereafter forever extinguished and barred, and may not be brought by OHA or by any other person or entity claiming by, through, or under OHA.

OHA further agrees that this Agreement shall have the effect of res judicata, collateral estoppel, claim and/or issue preclusion as to OHA and all persons or entities claiming by, through, or under OHA, and all claims, issues and defenses which have been at issue, or which could have been, or could in the future be, at issue, including any claim under chapter 661, Hawaii Revised Statutes, or for breach of trust under chapter 673, Hawaii Revised Statutes, whether brought against the STATE or its departments, agencies, officials, and/or employees, directly or indirectly, by subrogation, derivative or third party action, tender, federal action, or by any other means whatsoever, arising out of or in any way related to any right OHA, or any other person or entity claiming by, through, or under OHA, to the income and proceeds, and/or any other tangible right, item, or benefit related to said income and proceeds, from the public land trust lands under sections 4 and 6 of article XII of the Constitution or any related statute or act, between November 7, 1978 up to and including June 30, 2012.

Furthermore, OHA hereby releases, waives, and forever relinquishes and discharges, now and in the future, all rights (1) to assert, argue, or claim that the office was entitled to more receipts than it received pursuant to Act 178, 2006 Session Laws of Hawaii, or any other duly enacted law establishing the portion of the income and proceeds from the public land trust lands the office of Hawaiian affairs is to receive under sections 4 and 6 of article XII of the Constitution, between November 7, 1978 up to and including June 30, 2012, (2) to bring an action for breach of trust under chapter 673, Hawaii Revised Statutes, to contest or claim a larger portion of the income and
proceeds, and/or any other tangible right, item, or benefit related to said income and proceeds, from the public land trust lands under sections 4 and 6 of article XII of the Constitution for itself or its beneficiaries, or (3) to assert, argue, or claim that section 673-9, Hawaii Revised Statutes, does not bar a suit to contest or make a claim relating to the portion of the income and proceeds from the public land trust lands the office of Hawaiian affairs receives or is to receive under sections 4 and 6 of article XII of the Constitution. The waiver, release, relinquishment, and discharge in the above sentence shall be applicable to any and all money transferred, or in the future to be transferred, to the office of Hawaiian affairs pursuant to Act 178, 2006 Session Laws of Hawaii, or any other law enacted to give effect to the provisions of article XII, sections 4 and 6 of the Constitution relating to OHA’s portion of the income and proceeds from the public land trust lands under sections 4 and 6 of article XII of the Constitution, including, but not limited to, receipts from general leases, revocable permits, and licenses for the use of improved and unimproved parcels of public land trust lands, rents and fees for agricultural uses, rents and fees for retail, office, warehouse, medical and other uses of space in state-owned buildings and facilities, receipts from the sale of wood, rock, and other natural resources on public land trust lands, landing, docking and parking fees, rents and fees from the STATE’s in-bond duty free, park, and other concessions, rents, fees, and reimbursements collected at state operated hospitals and medical facilities, and fees and rents from the STATE’s affordable housing development and rental public housing projects.

B. Conveyance of Real Property to OHA.

Without admitting the validity of any claim, and in order to resolve, finally and completely, all claims, disputes and controversies relating to the income and proceeds and/or any other tangible right, item or benefit related to said income and proceeds, from the public land trust lands under sections 4 and 6 of article XII of the Constitution, between November 7, 1978 up to and including June 30, 2012, the STATE, with the approval of the Legislature made manifest by the enactment of the Proposed Legislation, shall convey or cause to be conveyed to OHA, the real property listed with their mutually agreed to values in Exhibit “B” attached hereto (hereinafter referred to as the “Properties”), by deeds warranting title only. The manner of conveyance of the real property shall be as set forth in the Proposed Legislation.
As Is, Where Is. Other than the warranties of title contained in the above-referenced deeds, the conveyance of the Properties is made on a strictly "As Is" and "Where Is" basis, and OHA is accepting the Properties in their existing condition as of March 1, 2012, the close of OHA's period for due diligence, without representations or warranties of any kind or nature. OHA expressly acknowledges that, in consideration of the agreements entered into herein, the STATE makes no warranty or representation of any kind or nature, either express or implied, or arising by operation of law, including, but not limited to, any warranty of quantity, quality, condition, habitability, reliability, merchantability, workmanlike construction, suitability or fitness for a particular purpose, about the Properties, any improvements and/or buildings located on the Properties, any environmental contamination or conditions of the Properties, or any soil conditions related to the Properties.

Due Diligence. In addition, OHA represents to the STATE that prior to March 1, 2012, OHA shall have completed all due diligence investigation of the Properties OHA deems necessary to satisfy itself as to the physical, environmental, economic and legal conditions of the Properties, and further that OHA will rely solely on the information it secures from its due diligence, and not on any information provided by or on behalf of the STATE to determine whether OHA wishes to accept and acquire title to the Properties. OHA also releases the STATE from and waives any and all claims and liabilities against the STATE for and from all injury, loss, cost, damage or liability, including reasonable attorney’s fees, concerning the physical, environmental, soil, economic or legal conditions of the Properties.

Reservations in Favor of the State and Native Tenants. The STATE expressly reserves and shall not convey to OHA the rights of native tenants, or any of the STATE's rights to minerals and metallic mines, including all geothermal rights, submerged lands, or surface and ground waters, and the STATE's regulatory and ownership (if any) rights over or to historic properties, aviation artifacts, burial sites, and prehistoric and historic remains under chapter 6E, Hawaii Revised Statutes.

Hawaii Community Development Authority Jurisdiction. The Properties are and shall remain (even after conveyance to OHA) under the jurisdiction and authority of the Hawaii Community Development Authority ("HCDA"), with respect to zoning, land use conditions and/or other matters within the authority of HCDA. If in the future the jurisdiction and authority over zoning and
land use conditions over the Properties is transferred to, changed to, or vested in another department or agency of the STATE, then the Properties shall be under the jurisdiction and authority of such other department or agency.

Encumbrances, Easements and Access Rights. The Properties conveyed shall be and remain subject to all encumbrances (whether or not of record), rights of native tenants, leases, contracts, agreements, permits, easements, profits, licenses, rights-of-way or other instruments applicable to the Properties effective or on-going on the effective date of this Agreement, unless they expire or are terminated pursuant to their respective terms. These rights and encumbrances shall be set forth in the deeds conveying the property to OHA or set forth in a license or similar agreement, a memorandum of which may be recorded concurrently with the deeds conveying the Properties to OHA. Effective July 1, 2012, every reference to the present title-holder or the head of the department of agency in each such instrument, if the title-holder is a department or an agency, shall be construed as a reference to OHA. After the conveyances are made, the Properties conveyed shall be subject to all laws, except sections 206E-8, 206E-10, 206E-34, Hawaii Revised Statutes, provided that the Hawaii community development authority may acquire by condemnation pursuant to chapter 101, Hawaii Revised Statutes, easements, rights-of-way, rights of entry, or other rights of access in favor of lands adjoining the Properties conveyed that are under the control and management of public agencies, provided OHA is paid just compensation for the same. OHA shall administer the Properties in accordance with its duties under the Hawaii Constitution and as provided by law.

The instruments of conveyance executed and recorded pursuant to this Agreement shall specify that OHA and any successor owner of any of the Properties shall cooperate with the STATE and its agencies to designate and grant such access rights and easements to the STATE or its agencies as may be reasonably necessary for the benefit and use of properties owned by the STATE or its agencies and which are adjacent to one or more of the Properties. Each of the instruments creating such access rights or granting such easements shall provide that OHA, or any successor owner of the servient property, shall have the right to reasonably relocate any such access areas or easements so granted. The cost of initially identifying such access areas or designating and granting any such easements shall be paid by the STATE. The cost of relocating any such access areas or easements shall be paid by OHA or any such successor owner, as the case may be. Each of the instruments creating such access rights or granting such easements also shall provide that the
STATE and its agencies shall be responsible for only a reasonable share of the cost of maintaining any such access areas and easement areas, as the case may be, and that OHA, its tenants, licensees, concessionaires, successors, and assigns shall not be liable for injuries or damages arising from the use of such access areas or easement areas and caused by the acts of omissions of the State, its agencies and/or employees, or their invitees.

4. Termination of Agreement.

This Agreement shall end, and all of its provisions shall be null and void ab initio, and have no legal force or effect, as though the Agreement never existed, if

A. OHA gives written notice to the Attorney General, the President of the Senate, and the Speaker of the House, on or before 4:30 p.m. on February 29, 2012, that it no longer wishes to acquire title to any or all of the Properties; or

3. The Proposed Legislation is not enacted in substantially the form attached hereto, or if enacted, the Parties do not agree in writing to all material changes, within thirty (30) days of enactment of the Proposed Legislation; or

C. This Agreement is not null and void ab initio but any provision of either Section 2 or Section 3 of the Proposed Legislation is held invalid or unenforceable by a final judgment of the Hawaii Supreme Court or the United States Supreme Court that resolves all issues, or by a judgment of a lower court from which an appeal is no longer possible that resolves all issues.

5. Mediation.

If the Parties have any dispute concerning enforcement of this Agreement, the Parties hereby agree to submit the dispute to mediation before such person whom the Parties agree to in writing.

6. No Arbitration.

The Parties have not agreed to arbitrate any dispute herein.
7. **Title Insurance.**

OHA may, if it chooses, procure title insurance to any of the Properties it acquires under this Agreement and the Proposed Legislation, at its own expense.

8. **Proration**

If the STATE receives monies attributable to the use or right to use any of the Properties conveyed to OHA for any period of time from or after July 1, 2012, it shall pay to OHA the amounts attributable to any periods after that date. If the State incurs expenses for the properties such as taxes, maintenance fees, assessments, association dues, utility charges, for periods on or after July 1, 2012, OHA shall pay the STATE the amounts attributable to any periods after that date.

In the event that the amount of any rent or expense is not known as of July 1, 2012, the Parties agree that such items shall be prorated at that date upon the basis of the best information available, and shall be adjusted when the actual amount(s) of such items are known, with appropriate charges and credits to be made.

9. **Other Terms and Understandings.**

This Agreement and its terms shall survive the conveyance of the Properties to OHA.

This Agreement neither represents nor is to be construed as an acknowledgment or admission of any negligence, misconduct, liability, violation of the State or Federal Constitution or a state or federal statute, wrongdoing, or fault of any kind whatsoever by any party, and the Parties hereto specifically deny and controvert any such acknowledgement or admission.

The STATE does not admit to or concede the validity of any claim, but has entered into this Agreement in order to resolve and satisfy all controversies and claims described above and in the Proposed Legislation.

The Parties agree that no representation, statement of fact or opinion has been made by either to the other, or by anyone acting on behalf of either to the other, to induce the execution of this Agreement, other than as expressly set forth in this Agreement, that neither of the Parties is relying upon any representation, statement of fact or opinion made by any person
or any of the Parties, and that this Agreement is executed freely on the part of each party hereto.

The Parties also represent and agree: (1) that they may hereafter discover facts in addition to or different from those they now know or believe to be true with respect to the subject matter of these releases; and (2) that this Agreement and the releases given in this Agreement shall fully remain in effect, notwithstanding the subsequent discovery or existence of any such additional or different facts.

The terms of this Agreement have been negotiated at arm's length among the Parties represented by experienced counsel. As a result, the rule of "interpretation against the draftsman" shall not apply in any dispute over interpretation of the terms of this Agreement.

In this Agreement, the captions or headings of paragraphs or subparagraphs are inserted for convenience, reference and identification only, and shall not control, define, limit or affect any provision of this Agreement.

This Agreement or any writing required by this Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all of which shall constitute one and the same instrument. The Parties agree that a facsimile signature is binding on the party that transmitted its signature by facsimile (i.e., telexcopier).
This Agreement contains the entire agreement between the Parties and supersedes all prior oral or written agreements, representations, negotiations and correspondence. The Parties have made no agreement or promise to do any act or thing not mentioned in this Agreement.

Office of Hawaiian Affairs
BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF HAWAII:

SECTION 1. In 1978, the Constitution of the State of Hawaii was amended to include article XII, sections 4, 5, and 6, which established the office of Hawaiian affairs and its board of trustees.

Sections 4, 5, and 6 of the State Constitution provide:

SECTION 4. The lands granted to the State of Hawaii by Section 5(b) of the Admission Act and pursuant to Article XVI, Section 7, of the State Constitution, excluding therefrom lands defined as "available lands" by Section 203 of the Hawaiian Homes Commission Act, 1920, as amended, shall be held by the State as a public trust for native Hawaiians and the general public.

SECTION 5. There is hereby established an Office of Hawaiian Affairs. The Office of Hawaiian Affairs shall hold title to all the real and personal property now or hereafter set aside or conveyed to it which shall be held in trust for native Hawaiians and
Hawaiians. There shall be a board of trustees for the
Office of Hawaiian Affairs elected by qualified voters
who are Hawaiians, as provided by law. The board
members shall be Hawaiians. There shall be not less
than nine members of the board of trustees; provided
that each of the following Islands have one
representative: Oahu, Kauai, Maui, Molokai and
Hawaii. The board shall select a chairperson from its
members.

SECTION 6. The board of trustees of the Office
of Hawaiian Affairs shall exercise power as provided
by law: to manage and administer the proceeds from
the sale or other disposition of the lands, natural
resources, minerals and income derived from whatever
sources for native Hawaiians and Hawaiians, including
all income and proceeds from that pro rata portion of
the trust referred to in section 4 of this article for
native Hawaiians; to formulate policy relating to
affairs of native Hawaiians and Hawaiians; and to
exercise control over real and personal property set
aside by state, federal or private sources and
transferred to the board for native Hawaiians and
Hawaiians. The board shall have the power to exercise
control over the Office of Hawaiian Affairs through
its executive officer, the administrator of the Office
of Hawaiian Affairs, who shall be appointed by the
board.

In Trustees of the Office of Hawaiian Affairs v. Yamasaki,
69 Haw. 154, 737 P.2d 446 (1987), the Hawaii Supreme Court
concluded that the issue of what constitutes the portion of the
income and proceeds derived from the public land trust for the
office of Hawaiian affairs pursuant to article XII, section 6 of
the Hawaii Constitution, is a political question for the
legislature to determine.

In response to the Yamasaki decision, the legislature
enacted Act 304, Session Laws of Hawaii 1990, to clarify the
extent and scope of the State's obligation to provide a portion
of the funds derived from the public land trust to the office of
Hawaiian affairs.

On September 12, 2001, the Hawaii Supreme Court ruled in
Office of Hawaiian Affairs v. State of Hawaii, 96 Haw. 388, 31
P.3d 901 (2001), that Act 304 was effectively repealed by its
own terms, so that it was necessary for the legislature to
specify what portion of which funds, from which lands the office
of Hawaiian affairs was to receive under the State Constitution.
In its decision, the Supreme Court affirmed Yamasaki, observing:

[T]he State’s obligation to native Hawaiians is firmly established in our constitution. How the State satisfies that constitutional obligation requires policy decisions that are primarily within the authority and expertise of the legislative branch. As such, it is incumbent upon the legislature to enact legislation that gives effect to the right of native Hawaiians to benefit from the ceded lands trust. See Haw. Const. art. XVI, §7. . . .

. . . we trust that the legislature will re-examine the State’s constitutional obligation to native Hawaiians and the purpose of HRS § 10-13.5 and enact legislation that most effectively and responsibly meets those obligations.

Office of Hawaiian Affairs v. State of Hawaii, 96 Haw. at 401, 31 P.3d at 914 (citations omitted)

One of the purposes of this Act is to resolve and extinguish, finally and completely, any and all claims, disputes and controversies the office of Hawaiian affairs, or any other person or entity claiming by, through, or under the office, has asserted or raised, or could otherwise assert or raise, relating to the portion of the income and proceeds from the public land trust lands under sections 4 and 6 of article XII of the State
Constitution or any related statute or act, the office of Hawaiian affairs received between November 7, 1978, up to and including June 30, 2012.

Another purpose of this Act is to effectively and responsibly fulfill the constitutional obligation to native Hawaiians under article XII, sections 4 and 6, of the State Constitution between November 7, 1978, up to and including June 30, 2012, by re-examining the amount of money the office of Hawaiian affairs received under article XII, section 6 of the Constitution, determining whether the office received what it should have received as its share of the income and proceeds from public land trust lands between 1978 and 2012, and providing additional resources to the office in the form of fee simple title to certain parcels of land to completely and finally fulfill the State's constitutional obligations relating to the office of Hawaiian affairs' portion of the income and proceeds from the public land trust lands under article XII, sections 4 and 6, of the State Constitution or any related statute or act, between November 7, 1978, up to and including June 30, 2012.

The legislature recognizes that the governor and the office of Hawaiian affairs have reached an agreement with respect to conveyances of land and all issues relating to the office of
Hawaiian affairs' portion of the income and proceeds from the public land trust lands under sections 4 and 6 of article XII of the Constitution, between November 7, 1978, up to and including June 30, 2012.

The legislature finds that the agreement between the State and the office of Hawaiian affairs represents a joint recommendation as to the policy the legislature should adopt, to satisfy the State's constitutional obligations to native Hawaiians under article XII, sections 4 and 6 of the Constitution for the period between November 7, 1978, up to and including June 30, 2012, relating to the office of Hawaiian affairs' portion of the income and proceeds from the public land trust lands. Conveyance of the fee simple interest to the lands the governor and the trustees of the office of Hawaiian affairs identified for conveyance will allow the State to effectively and responsibly meet said constitutional obligations to native Hawaiians.

This Act, therefore, is an expression of legislative policy, not a settlement or a contract. This legislation is a legislative act without distinction from any other legislative act. As it is neither a settlement nor a contract, it can give rise to no lawsuits or claims other than an action to compel compliance with this Act's terms, nor to any claim that any
future legislation is barred in any way, or leads to liability
in any way, because it somehow conflicts with a settlement,
settlement agreement, contract, or the provisions of this Act.

SECTION 2. Notwithstanding any other law to the contrary,
the fee simple interest to the following parcels of land with
the existing improvements thereon (hereinafter "the Properties")
(but not including submerged land, accreted land, or any land
makai of the shoreline), is conveyed to the office of Hawaiian
affairs as grantee, as of July 1, 2012, as is, where is:

(1) Lots 1, 2, 3, 4, 5, 6(portion), and 9 of File Plan
2471 filed at the Bureau of Conveyances, State of
Hawaii, on February 23, 2010;
(2) TMK (1) 2-1-15-61; and
(3) TMK (1) 2-1-15-51.

As directed by the attorney general, the appropriate
boards, agencies, officers, and employees of the State shall (1)
prepare and execute deeds warranting title only, and such other
instruments appropriate and necessary to convey fee title and
interest to the above-listed parcels with all existing
improvements, to the office of Hawaiian affairs, as grantee, and
(2) record the deeds and such other instruments within a
reasonable period of time after the effective date of this Act,
in the land court or bureau of conveyances, as appropriate. The
aforesaid executed deeds and other instruments shall be
delivered to the office by the State no later than ___ days
after they are recorded. As these are conveyances in which the
State and its agencies are the only parties, the tax imposed by
section 247-1, Hawaii Revised Statutes, shall not apply to them.

For purposes of this section and this Act, "as is, where
is" means that the office of Hawaiian affairs is accepting the
Properties in their existing condition as of March 1, 2012, the
close of the office's period for due diligence, without
representations or warranties of any kind or nature. Except as
set forth in the aforesaid deeds, the State makes no warranty or
representation of any kind or nature, either express or implied,
or arising by operation of law, including, but not limited to,
any warranty of quantity, quality, condition, habitability,
reliability, merchantability, workmanlike construction,
suitability or fitness for a particular purpose, about the
parcels of real property described in this section, any building
or other improvement located on those parcels of land, any
environmental contamination or conditions of those parcels of
land, and the soil conditions related to those parcels of land.

The office of Hawaiian affairs has completed all due
diligence investigations of the parcels necessary to satisfy
itself as to the physical, environmental, economic and legal
conditions relating to the parcels of land, and has indicated
that it relied solely on the information it secured from its due
diligence, and not on any information provided by or on behalf
of the State to determine whether it wished to accept and
acquire title to those parcels of land. All claims and
liabilities against the State, if any, which the office of
Hawaiian affairs has, may have had, or may have in the future,
regarding any injury, loss, cost, damage or liability, including
reasonable attorney's fees, concerning the physical,
environmental, soil, economic and legal conditions of the
Properties, are released, waived and extinguished.

The Properties are and shall remain (even after conveyance
to the office) under the jurisdiction and authority of the
Hawaii community development authority, with respect to zoning,
land use conditions and all other matters over which the
authority has jurisdiction and authority to act. If in the
future, the jurisdiction and authority over zoning and land use
conditions over the Properties is transferred to, changed to, or
vested in another department of agency of the State, then the
Properties shall be under the jurisdiction and authority of such
other department or agency.

The conveyances required to be made by this section shall
not and do not include the rights of native tenants, or any of
the State's rights to minerals and metallic mines, including all
geothermal rights, submerged lands, surface or ground water, or
the State's regulatory and ownership rights (if any) over, or to
historic properties, aviation artifacts, burial sites, and
prehistoric and historic remains under chapter 6E, Hawaii
Revised Statutes.

The Properties conveyed shall be and remain subject to all
encumbrances (whether or not of record), the rights of native
tenants, leases, contracts, agreements, permits, easements,
profits, licenses, rights-of-way or other instruments applicable
to any of the Properties effective or on-going on the effective
date of this Act unless they expire or are terminated pursuant
to their respective terms. These rights and encumbrances shall
be set forth in the deeds conveying the Properties to the office
or set forth in a license or similar agreement, a memorandum of
which may be recorded concurrently with the deeds conveying the
Properties to the office. Effective July 1, 2012, every
reference to the present title-holder or the head of the
department or agency in each such instrument, if the title-
holder is a department or an agency, shall be construed as a
reference to the office of Hawaiian affairs or its board of
trustees.
The Properties shall be subject to all laws, except sections 206E-8, 206E-10, 206E-34, Hawaii Revised Statutes, and as otherwise provided in this Act, provided that the Hawaii community development authority may acquire by condemnation, pursuant to chapter 101, Hawaii Revised Statutes, easements, rights-of-way, rights of entry, or other rights of access in favor of lands adjoining the Properties conveyed that are under the control and management of public agencies, provided the office of Hawaiian affairs is paid just compensation for the same. The office of Hawaiian affairs shall administer the Properties in accordance with its duties under the Hawaii Constitution and as provided by law.

The instruments of conveyance executed and recorded pursuant to this Act shall specify that the office of Hawaiian affairs and any successor owner of any of the Properties shall cooperate with the State and its agencies to designate and grant such access rights and easements to the State or its agencies as may be reasonably necessary for the benefit and use of properties owned by the State or its agencies and which are adjacent to one or more of the Properties. Each of the instruments creating such access rights or granting such easements shall provide that the office, or any successor owner of the servient property, shall have the right to reasonably
relocate any such access areas or easements so granted. The
cost of initially identifying such access areas or designating
and granting any such easements shall be paid by the State. The
cost of relocating any such access areas or easements shall be
paid by the office or any such successor owner, as the case may
be. Each of the instruments creating such access rights or
granting such easements also shall provide that the State and
its agencies shall be responsible for only a reasonable share of
the cost of maintaining any such access areas and easement
areas, as the case may be, and that the office, its tenants,
licensees, concessionaires, successors, and assigns shall not be
liable for injuries or damages arising from the use of such
access areas or easement areas and caused by the acts or
omissions of the State, its agencies or employees, or their
invitees.

SECTION 3. The passage of this Act is in full
satisfaction, resolution, and discharge of any and all claims,
disputes, controversies, actions, causes of action, demands,
