HAWAIIAN GOVERNANCE SUMMIT SERIES

SUMMIT

I

NOVEMBER 28 & 29, 2012

Summit I is the first in a series of summits convening leaders of Hawaiian self-governance initiatives to educate OHA, our lāhui, and the general public about ongoing efforts in the area of Hawaiian governance and self-determination.

This summit will be recorded and videotaped and available to the public via live stream.

Ea represents sovereignty, rule, and independence as embodied in the words that Kauikeaouli uttered on Lā Ho‘iho‘i Ea, Sovereignty Restoration Day. Kāmau means “to keep on, continue, persevere, last, add a little more” and speaks to the efforts of those who have endeavored and persevered since 1893 to restore Ea to Hawaiians.
