Ola ka ʻōlelo Hawaiʻi
The Hawaiian language lives
The Hawaiian language is alive.
KE OLA NEI KA ‘ÖLELO HAWAI‘I. The Hawaiian language is alive. Following the overthrow of the Hawaiian kingdom, our mother tongue was forced underground for most of the 20th century until the widespread spiritual, political and cultural revival commonly known as the Hawaiian Renaissance began in the 1970s. But even then, younger generations weren’t speaking the language. By the early 1980s, it was estimated that fewer than 50 children under age 18 spoke Hawaiian.

Fast-forward nearly three decades. The Hawaiian language is no longer a relic in our ancestral homeland. Over 2,000 students were enrolled in Hawaiian language immersion programs from preschool to high school last year, as well as many others in Hawaiian language classes and Hawaiian language degree courses in the University of Hawai‘i’s system. Today, we see and hear our cherished ‘ōlelo on TV, on the radio, in newspapers, magazines, official government documents, t-shirts, building names, and street signs.

Our language is an important component of Hawaiian life and culture, as it helps bond us with our Hawaiian identity and values. We share the cores of our values with cultures around the world, but ours are bound inextricably to our people by the ancestral and cultural innuendos that accompany our values as they illuminate our path forward in this world.

A collective desire for our Hawaiian nation to be strong and move forward comes from the aloha that we have for our people and our land. From this desire comes the patience and willingness to listen to each other to be sure that we move forward together. Each and every one of us has a responsibility to work hard to blaze the path forward toward self-determination, with the knowledge and inspiration of the values bestowed upon us by our kūpuna lighting the way.

E NE‘EPAKA KĀKOU I MUA A KU I KA MÄLAMALAMA O NÄ WAIWAI A KA HAWAI‘I.

Greetings to Native Hawaiians from Hawai‘i to Ni‘ihau and around this brilliant world. Greetings to longtime residents of Hawai‘i and newcomers alike. Greetings!

The Office of Hawaiian Affairs is proud to present the Fiscal Year 2008 Annual Report, which summarizes OHA programs, activities and financial statements for the period of July 1, 2007, to June 30, 2008, in meeting our legal mandate and urgent objectives for the future well-being of Hawaiians and Hawai‘i.

The theme of this year’s annual report celebrates the flourishing revival of our mother tongue, ka ʻōlelo Hawai‘i, and the inner strength sustained by Hawaiian values and tradition. In celebrating the wisdom, knowledge and use of our Hawaiian language – the essential bridge to our culture and history – we also nurture facility in the real and symbolic languages of the world in which we all must survive and thrive.

The year 2008 was a challenging one for OHA and this annual report provides you a concentrated view of accomplishments and triumphs over adversity through the commitment and strength of OHA Trustees, administration, staff, volunteers and community partners.

We look toward 2009 with great optimism. We see the promise of Native Hawaiian initiatives such as the Native Hawaiian Government Reorganization Act, also known as the Akaka Bill, moving forward, bringing Native Hawaiians closer to the goal of self-determination in a unified effort. Throughout this coming year stay informed about OHA’s progress by visiting our website at www.oha.org.

OHA’s mission to improve conditions for Native Hawaiians, in these trying times, demands concerted efforts to empower and prepare our beneficiaries for an enlightened, focused, unified, creative, productive and dedicated leadership and participation, guided by Hawaiian values, spirituality and lokahi, in building a stronger and better Hawai‘i for all of its people.

Together, we will continue to move forward. Pūpūkahiki holomua!

No nā ʻōiwi ʻōlino,

Trustee S. Haunani Apoliona, MSW
Chairperson, Board of Trustees

The theme of this year’s annual report celebrates the flourishing revival of our mother tongue, ka ʻōlelo Hawai‘i, and the inner strength sustained by Hawaiian values and tradition. In celebrating the wisdom, knowledge and use of our Hawaiian language – the essential bridge to our culture and history – we also nurture facility in the real and symbolic languages of the world in which we all must survive and thrive.

The year 2008 was a challenging one for OHA and this annual report provides you a concentrated view of accomplishments and triumphs over adversity through the commitment and strength of OHA Trustees, administration, staff, volunteers and community partners.
ALOHA KĀKOU.

With great pride, I present the Office of Hawaiian Affairs fiscal year 2008 Annual Report which highlights the agency’s programs, activities, leadership and financial summary for the period covering July 1, 2007, to June 30, 2008.

The Office of Hawaiian Affairs is led by the nine-member Board of Trustees, which sets policy for the agency’s administration. OHA’s 157 employees staff the agency’s administrative office in Honolulu, community offices in Kona, Hilo, Kahului, Lāna’i City and Līhu’e and a bureau in Washington, D.C.

In fiscal year 2008, the Office of Hawaiian Affairs made great strides in meeting its mission of bettering the conditions of Native Hawaiians. OHA pledged $3 million per year for 30 years to assist the State Department of Hawaiian Home Lands with financing for housing infrastructure statewide, awarded more than $18 million in grants, successfully launched the OHA Mālama Loan program that has approved $10 million in loans, celebrated our land acquisitions at Wao Kele O Puna and Waimea Valley, supported public charter schools that implement Hawaiian models of education, provided greater outreach to the Native Hawaiian community and the public at-large through the expansion of OHA’s radio show, Nā ‘Ōiwi ‘Olino, through a network of AM and FM radio stations, and vigorously fought to protect iwi kūpuna and burial sites at more than 20 locations across Hawai’i and the Continental U.S.

OHA has also strived for greater transparency and openness this past year through making available as much information as possible on what we do. For more information on the Office of Hawaiian Affairs and its programs, visit us online at www.OHA.org.

This year’s artistic theme showcases the renaissance of the Hawaiian culture through the rejuvenation of ka ‘ōlelo Hawai‘i, the language of our Hawaiian people. We use the photography of Arna Johnson to illustrate how the language has become a part of our everyday lives in carrying forward the values of our brilliant Hawaiian people – nä waiwai a ka Hawai‘i.

Keeping the language strong and alive goes far in perpetuating who we are as a people.

Me ka ‘ōia‘i’o.

Clyde Nāmu‘o
Administrator

TREASURY AND OTHER SERVICES

MISSION
Treasury & Other Services (TOS), formerly known as the Administrative Services Office, works in partnership with OHA divisions and OHA beneficiaries by meeting financial management and information systems needs through the delivery of services in accounting, treasury, financial management, and information systems.

• Accounting is responsible for the day-to-day processing and auditing of accounting transactions, system analyses, maintenance of the general ledger, and comprehensive production of accurate financial reports.
• Treasury includes reviews of OHA’s Native Hawaiian Trust Fund, accounts receivable, credit and collections, and the coordination of OHA’s annual budget development to effectively allocate resources within the organization, in accordance with OHA’s strategic plan.
• Financial management involves collaboration between accounting and treasury in the development of financial plans in accordance with OHA’s financial policies in order to safeguard and maximize return on OHA’s financial assets.
• Information systems include the management, maintenance, and development of OHA’s statewide computer information network.

FY-08 HIGHLIGHTS
• With TOS coordination, OHA underwent a requisite annual audit of financial statements, conducted by an independent certified public accounting firm. The financial statements for the 2008 fiscal year are included on page 42.
• With approval from the OHA Board of Trustees, TOS added three positions to ensure fiscal accountability with our Treasury Division.
• TOS prepared and implemented a Fiscal Procedures Manual outlining major TOS processes and procedures. The manual covers the topics of planning and budgeting, accounts receivable, accounts payable, general accounting, and management reporting.
• The IT Department initiated the training and transitioning of all OHA staff to Microsoft Office 2007, established a custom SharePoint system for internal communication and collaboration, and set-up a remote access system for troubleshooting computer-related problems in the statewide CRC offices.
• TOS reports that the fair market value of OHA’s investments held in the Native Hawaiian Trust Fund decreased by $50 million during the previous fiscal year to total approximately $394 million by June 30, 2008. The decline is attributed to cash withdrawals and to decreases in the fair market value of investments, which resulted from the subprime mortgage debt crisis and the worldwide volatility of financial markets.
Although we are humbled by the magnitude of the challenges facing our people individually and collectively, we take heart in the ways we help each other, our families, and our communities. Humbly, we work together every day toward a strong and healthy Hawaiian people and nation, recognized nationally and internationally.

True generosity is giving with no expectation of getting anything in return. In times of need, our people often give whatever is needed, be it time, wisdom, material things, or simply aloha. The only expectation is that the same kindness will be extended to others in their time of need.

PREG better’s the conditions of Native Hawaiians by providing appropriate grant funding to non-profit or community organizations to meet the needs of the Native Hawaiian community.

During this fiscal year, the structure and direction of PREG has undergone a transition. In last quarter of the fiscal year, Grants became a separate hale under the Beneficiary Advocacy and Empowerment division; meanwhile, the elements of Planning, Research, and Evaluation have been consolidated into one function.

**FY-08 HIGHLIGHTS**

Planning, Research, and Evaluation (PRE)

- Collected beneficiary input regarding “OHA Public Land Trust Settlement” at meetings held on all islands
- Updated hale work plans in preparation for OHA Strategic Plan revamping in FY09
- Continued partnership with University of Hawai‘i Center for Training and Evaluation and Research (CTERP) assessing Native Hawaiian well-being
- Contributed support for Kau Inoa Small Grants Program
- Provided contract overview for Mauna‘ala, Bishop Museum, and Kawāiaha‘o Church.
- Improved OHA Division Monthly Reports
- Coordinated OHA Salary Commission report

**GRANTS**

- The Community Grants Program awarded over $1 million to 53 projects providing services and implementing programs that impact the Native Hawaiian community statewide. In addition, almost $500,000 was awarded to support 28 community events.
- Grants Program staff conducted 26 grant workshops and technical assistance sessions statewide, reaching over 650 stakeholders seeking funding for projects that benefit the Hawaiian community. As a result, 124 applications were received requesting OHA grants funding.
The Office of Hawaiian Affairs has a responsibility to provide the opportunity for a better life and future for all Hawaiians through protection, preservation, and perpetuation of that which our people hold dear. This duty to our beneficiaries guides all that we do, as an organization and as individuals.
MISSION
The Government Relations and Legislative Affairs (GRLA) Division is responsible for the promotion, protection and advocacy of Native Hawaiian rights and entitlements at all levels of government.

FY-08 HIGHLIGHTS
• Compiled OHA’s legislative package, which consisted of 31 bills addressing issues of importance to Native Hawaiians, including the ceded lands settlement, development of a grant program for out-of-home placement of children, the establishment of the Hākūkū Valley Cultural Preserve Commission, membership of Native Hawaiians on several boards and commissions, loan forgiveness for nurses and real property tax exemption for kuleana lands.
• Held a Native Hawaiian “think tank” and a stakeholders meeting of individuals from the Ali‘i trusts and sister organizations to provide input for the OHA 2008 legislative package and related activities.
• Held annual legislative luncheon to brief more than 200 state lawmakers and staff members on the OHA legislative package.
• Reviewed 6,737 pieces of state legislation, tracked 896 legislative measures and submitted testimony on 345 bills. The legislative activities of GRLA were summarized in the OHA 2007-2008 Legislative Report.
• Reviewed and researched numerous proposed federal bills and regulations as OHA continued to voice strong support for the Native Hawaiian Government Reorganization Act of 2007 (S. 310/H.R. 505).
• Contributed to OHA’s support of several county ordinances and proposals to include County of Hawai‘i Bill 207, which amended Chapter 19, Article 10 of Hawai‘i County Code to establish a real property tax exemption for Kuleana Lands. The Hawai‘i County Mayor signed the bill on February 14, 2008. Kuleana tax exemption laws are pending in Maui and Kaua‘i counties.
• Provided content and technical coordination for 24 episodes of OHA’s award-winning roundtable television production Ho‘oulu Lāhui Aloha - ‘To Build a Beloved Nation’, which airs weekly on O‘olelo Community Television, and is also distributed to stations on the neighbor islands and in the Continental U.S.
• Produced 12 two hour segments for OHA’s radio show Na Oiwi ‘Oiwi – People Seeking Wisdom, which airs statewide Monday through Friday mornings.

MISSION
The Office of Board Services (OBS) works to improve the efficiency and effectiveness of OHA policymaking, programs and operations, and to manage information needed to reach decisions that lead to the achievement of OHA’s mission and goals.

FY-08 HIGHLIGHTS
• Organized and facilitated a successful 2007 State of OHA address with over 500 guests at Saint Andrews Cathedral. Through comprehensive planning, OBS designed a compelling public ceremony, underlining the importance of OHA Chairperson Apoliona’s annual address to inform the public of OHA’s accomplishments and goals. OBS staff contributed to the success of the event by implementing proper Native Hawaiian protocol; coordinating OHA staff volunteers to provide culturally appropriate luncheon entertainment; planning and implementing a public television and radio broadcast of the chairperson’s address.
• Tracked, managed and reported on the administration’s fulfillment of 71 actions of the Board of Trustees (BOT), Beneficiary, Advocacy and Empowerment Committee (BAE), Asset and Resource Management Committee (ARM) and joint ARM-BAE committee meetings.
• Coordinated the setup and support requirements for 10 community meetings involving the Public Land Trust Settlement, of which 5 were held on the neighbor islands: Moloka‘i, Kaua‘i, Maui, and Hawai‘i Island in Kona and Hilo. The meetings addressed Senate Concurrent Resolution 49 (SCR 49), requesting OHA and the Attorney General to solicit public input regarding a proposed ceded lands settlement. Approximately 1,400 community members attended the meetings.
• Reduced OBS spending by 3% ($85,155) by aggressively monitoring supply expenditures and parking validations.
• Serviced 31,214 beneficiaries in fiscal year 2008 with walk-ins, intakes and telephone contacts. Facilitated easy access to programs and other resources for beneficiaries.
• Successfully reduced the overhead postal expenditures and enhanced timely communications between OHA and other business partners. The total number of courier service requests in fiscal year 2008 at the Honolulu office was 1,622, a decline of 24 from the previous year.
• Responded to 3,311 facilities, maintenance and equipment service requests in direct support of over 150 OHA staff including six neighbor island offices. The overall maintenance response time decreased to under four hours, minimizing operational stoppage and delays in beneficiary service.
• Processed and delivered 33,163 pieces of mail, providing a comprehensive communications system with a highly effective mail process.

OFFICE OF BOARD SERVICES
Dean Mark Sr., Director
A good, productive work ethic is of high value to Hawaiians. The challenges that face our people are diverse and many, and many more challenges are surely on the horizon. We must work diligently and work hard to address these challenges to the best of our ability.
MISSION
The Public Information Office (PIO) serves the communications, publications, graphic design, public relations, multimedia production, and information needs of OHA. PIO coordinates the dissemination of information about OHA programs, policies and general activities to the public through various print, electronic and broadcast media.

FY-08 HIGHLIGHTS
- Assumed administration and coordination of Nä ’Ōiwi ’Ōlino, a weekday morning radio show covering issues facing the Native Hawaiian community and the general public. The show airs on AM 940 in Honolulu and online at am940hawaii.com.
- Expanded broadcast of Nä ’Ōiwi ’Ōlino to AM and FM stations statewide and took the show on the road for the first time to the neighbor islands with live remote broadcasts from Maui and Hawai’i Island.
- Produced and coordinated distribution of 12 issues of Ke Wai Ola. The free newspaper’s circulation of 59,000 includes roughly 36,500 recipients on O‘ahu, 18,000 on the neighbor islands and 4,500 on the U.S. continent.
- Created the OHA Annual Report, calendar and greeting card with the artistic theme “Nä Wahi Pana – Celebrated Places,” featuring images of wahi pana around Hawai‘i photographed by Kapulani Landgraff and Arna Johnson.
- In collaboration with volunteers from other OHA divisions, PIO produced and directed Ho‘oulu Lāhui Aloha roundtable discussion programs for ‘Olelo Community Television, with content coordination provided by the GRLA division. The program airs weekly on NATV Channel 53.
- PIO produced “Ceded Lands: The People’s Legacy”, a live one-hour broadcast on KITV.
- In concert with the Hawaiian Governance Hale and outside contractors, PIO produced four testimonial television spots featuring prominent Native Hawaiians to encourage participation in the Kū Kia‘i Hawaiian governance registration. Audio versions aired on a variety of radio stations and print versions ran in major newspapers.
- For the first time, based a PIO position outside the Honolulu office. A Publications Editor is now assigned to the East Hawai‘i CRC office for better access to the Native Hawaiian community in that area.
- Supported advertising sponsorship of major events including the Queen Lili‘uokalani Keiki Hula Competition, Merrim Monarch Hula Festival, the Kamehameha Schools Song Contest and Nä Hökü Hanohano Awards.
- Organized news conferences and issued dozens of press releases, newspaper opinion pieces and letters-to-the-editors.
- Produced a broad variety of fliers, business cards, brochures and other publications.
- Major overhaul of OHA.org to include frequent web updates of OHA and community events via photographs and write-ups. Created new section of the website to include program updates and reports in a continued effort to keep the public informed of OHA’s activities.
