

ola ka ʻōlelo Hawaiʻi
The Hawaiian language lives

Ke ola nei ka 'ōlelo Hawai'i

The Hawaiian language is alive.

KE OLA NEI KA ‘ŌLELO HAWAI‘I. The Hawaiian language is alive. Following the overthrow of the Hawaiian kingdom, our mother tongue was forced underground for most of the 20th century until the widespread spiritual, political and cultural revival commonly known as the Hawaiian Renaissance began in the 1970s. But even then, younger generations weren’t speaking the language. By the early 1980s, it was estimated that fewer than 50 children under age 18 spoke Hawaiian.

Fast-forward nearly three decades. The Hawaiian language is no longer a relic in our ancestral homeland. Over 2,000 students were enrolled in Hawaiian language immersion programs from preschool to high school last year, as well as many others in Hawaiian language classes and Hawaiian language degree courses in the University of Hawai‘i system. Today, we see and hear our cherished ‘ōlelo on TV, on the radio, in newspapers, magazines, official government documents, t-shirts, building names, and street signs.

Our language is an important component of Hawaiian life and culture, as it helps bond us with our Hawaiian identity and values. We share the cores of our values with cultures around the world, but ours are bound inextricably to our people by the ancestral and cultural innuendos that accompany our values as they illuminate our path forward in this world.

A collective desire for our Hawaiian nation to be strong and move forward comes from the aloha that we have for our people and our land. From this desire comes the patience and willingness to listen to each other to be sure that we move forward together. Each and every one of us has a responsibility to work hard to blaze the path forward toward self-determination, with the knowledge and inspiration of the values bestowed upon us by our kūpuna lighting the way.
E NE‘EPAPA KĀKOU I MUA A KŪ I KA MĀLAMALAMA O NĀ WAIWAI A KA HAWAI‘I.

ALOHA!

Greetings to Native Hawaiians from Hawai‘i to Ni‘ihau and around this brilliant world. Greetings to longtime residents of Hawai‘i and newcomers alike. Greetings!

The Office of Hawaiian Affairs is proud to present the Fiscal Year 2008 Annual Report, which summarizes OHA programs, activities and financial statements for the period of July 1, 2007, to June 30, 2008, in meeting our legal mandate and urgent objectives for the future well-being of Hawaiians and Hawai‘i.

“OHA’s mission to improve conditions for Native Hawaiians, in these trying times, demands concerted efforts to empower and prepare our beneficiaries for an enlightened, focused, unified, creative, productive and dedicated leadership and participation...”

The theme of this year’s annual report celebrates the flourishing revival of our mother tongue, ka ‘ōlelo Hawai‘i, and the inner strength sustained by Hawaiian values and tradition. In celebrating the wisdom, knowledge and use of our Hawaiian language – the essential bridge to our culture and history – we also nurture facility in the real and symbolic languages of the world in which we all must survive and thrive.

The year 2008 was a challenging one for OHA and this annual report provides you a concentrated view of accomplishments and triumphs over adversity through the commitment and strength of OHA Trustees, administration, staff, volunteers and community partners.

We look toward 2009 with great optimism. We see the promise of Native Hawaiian initiatives such as the Native Hawaiian Government Reorganization Act, also known as the Akaka Bill, moving forward, bringing Native Hawaiians closer to the goal of self-determination in a unified effort. Throughout this coming year stay informed about OHA’s progress by visiting our website at www.oha.org.

OHA’s mission to improve conditions for Native Hawaiians, in these trying times, demands concerted efforts to empower and prepare our beneficiaries for an enlightened, focused, unified, creative, productive and dedicated leadership and participation, guided by Hawaiian values, spirituality and lokahi, in building a stronger and better Hawai‘i for all of its people.

*Together, we will continue to move forward.
Pūpūkahi i holomua!*

No nā ‘ōiwi ‘ōlino,

Trustee S. Haunani Apoliona, MSW
Chairperson, Board of Trustees

ALOHA KĀKOU.

With great pride, I present the Office of Hawaiian Affairs fiscal year 2008 Annual Report which highlights the agency’s programs, activities, leadership and financial summary for the period covering July 1, 2007, to June 30, 2008.

The Office of Hawaiian Affairs is led by the nine-member Board of Trustees, which sets policy for the agency’s administration. OHA’s 157 employees staff the agency’s administrative office in Honolulu, community offices in Kona, Hilo, Kahului, Kaunakakai, Lāna‘i City and Līhu‘e and a bureau in Washington, D.C.

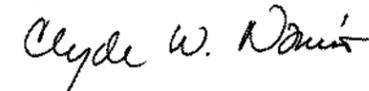

In fiscal year 2008, the Office of Hawaiian Affairs made great strides in meeting its mission of bettering the conditions of Native Hawaiians. OHA pledged \$3 million per year for 30 years to assist the State Department of Hawaiian Home Lands with financing for housing infrastructure statewide, awarded more than \$18 million in grants, successfully launched the OHA Mālama Loan program that has approved \$10 million in loans, celebrated our land acquisitions at Wao Kele O Puna and Waimea Valley, supported public charter schools that implement Hawaiian models of education, provided greater outreach to the Native Hawaiian community and the public at-large through the expansion of OHA’s radio show, Nā ‘Ōiwi ‘Ōlino, through a network of AM and FM radio stations, and vigorously fought to protect iwi kūpuna and burial sites at more than 20 locations across Hawai‘i and the Continental U.S.

OHA has also strived for greater transparency and openness this past year through making available as much information as possible on what we do. For more information on the Office of Hawaiian Affairs and its programs, visit us online at www.OHA.org.

This year’s artistic theme showcases the renaissance of the Hawaiian culture through the rejuvenation of ka ‘ōlelo Hawai‘i, the language of our Hawaiian people. We use the photography of Arna Johnson to illustrate how the language has become a part of our everyday lives in carrying forward the values of our brilliant Hawaiian people – nā waiwai a ka Hawai‘i.

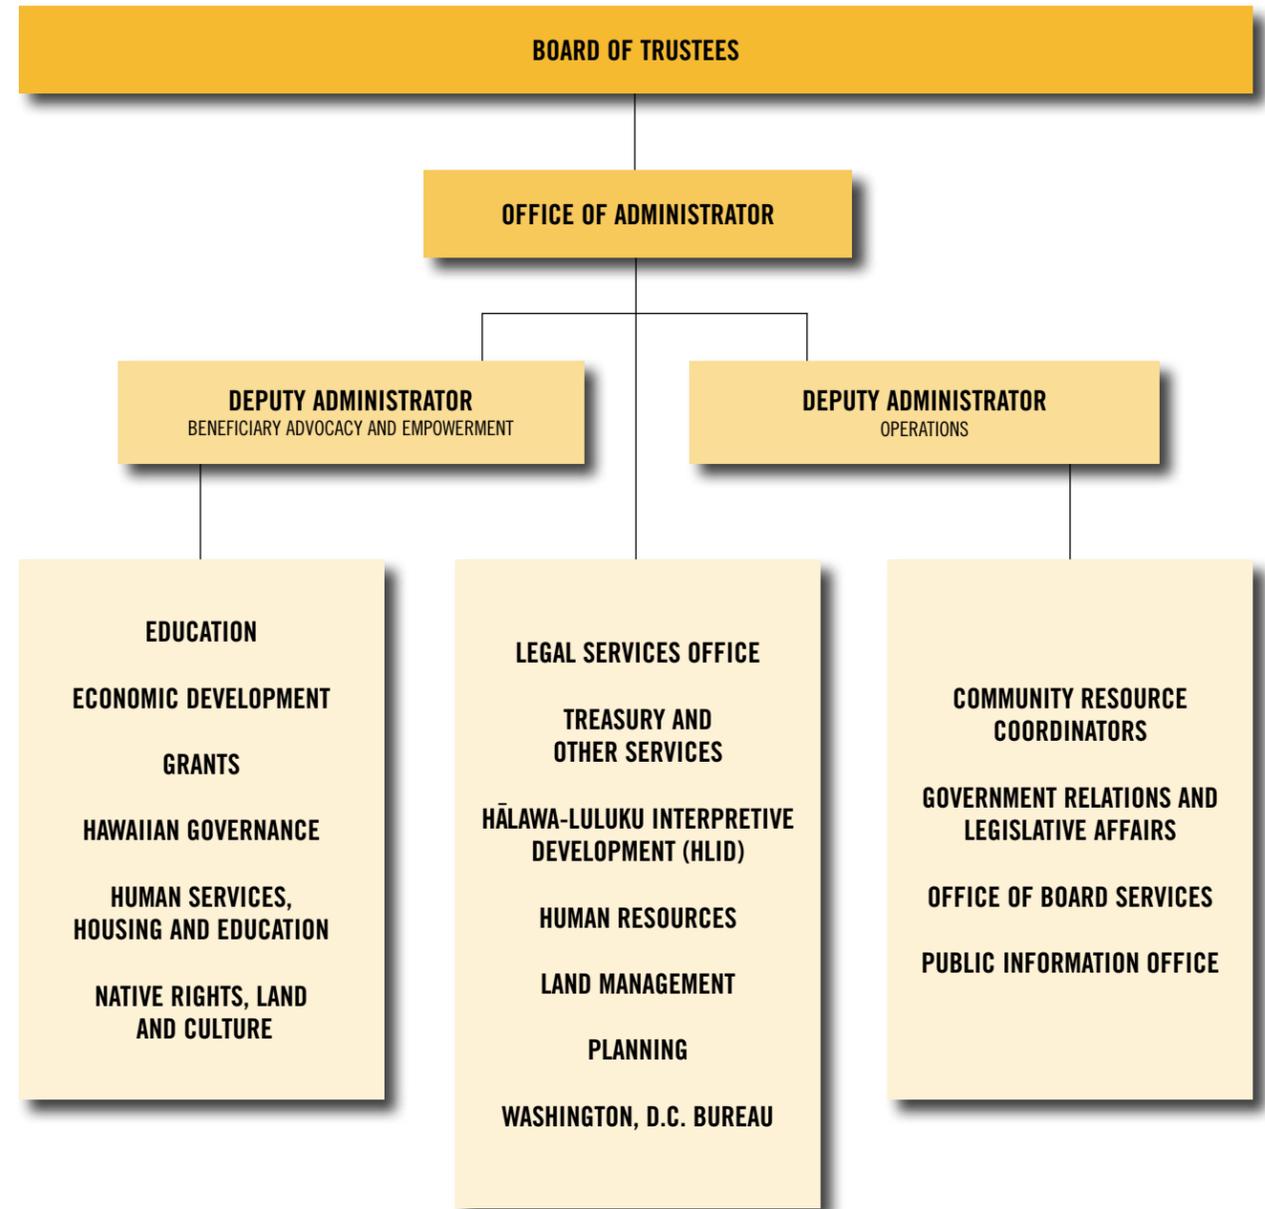

Keeping the language strong and alive goes far in perpetuating who we are as a people.

Me ka ‘oia‘i‘o.

TREASURY AND OTHER SERVICES

Barrie Stewart, *Chief Financial Officer*

MISSION

Treasury & Other Services (TOS), formerly known as the Administrative Services Office, works in partnership with OHA divisions and OHA beneficiaries by meeting financial management and information systems needs through the delivery of services in accounting, treasury, financial management, and information systems.

- Accounting is responsible for the day-to-day processing and auditing of accounting transactions, systems analyses, maintenance of the general ledger, and comprehensive production of accurate financial reports.
- Treasury includes reviews of OHA's Native Hawaiian Trust Fund, accounts receivable, credit and collections, and the coordination of OHA's annual budget development to effectively allocate resources within the organization, in accordance with OHA's strategic plan.
- Financial management involves collaboration between accounting and treasury in the development of financial plans in accordance with OHA's financial policies in order to safeguard and maximize return on OHA's financial assets.
- Information systems include the management, maintenance and development of OHA's statewide computer information network.

FY-08 HIGHLIGHTS

- With TOS coordination, OHA underwent a requisite annual audit of financial statements, conducted by an independent certified public accounting firm. The financial statements for the 2008 fiscal year are included on page 42.
- With approval from the OHA Board of Trustees, TOS added three positions to ensure fiscal accountability with our Treasury Division.
- TOS prepared and implemented a Fiscal Procedures Manual outlining major TOS processes and procedures. The manual covers the topics of planning and budgeting, accounts receivable, accounts payable, general accounting, and management reporting.
- The IT Department initiated the training and transitioning of all OHA staff to Microsoft Office 2007, established a custom SharePoint system for internal communication and collaboration, and set-up a remote access system for troubleshooting computer-related problems in the statewide CRC offices.

- TOS reports that the fair market value of OHA's investments held in the Native Hawaiian Trust Fund decreased by \$50 million during the previous fiscal year to total approximately \$394 million by June 30, 2008. The decline is attributed to cash withdrawals and to decreases in the fair market value of investments, which resulted from the subprime mortgage debt crisis and the worldwide volatility of financial markets.

Ha'aha'a

Although we are *humbled* by the magnitude of the challenges facing our people individually and collectively, we take heart in the ways we help each other, our families, and our communities. Humbly, we work together every day toward a strong and healthy Hawaiian people and nation, recognized nationally and internationally.

MISSION

To increase support for issues important to Native Hawaiians and secure passage of favorable legislation at the national level.

FY-08 HIGHLIGHTS

The Washington, D.C. Bureau advocated for passage of the Native Hawaiian Government Reorganization Act (NHGRA) and other measures important to Native Hawaiians, and worked to prevent elimination of Native Hawaiians from existing U.S. policy and law. The Bureau promoted and protected Native American political status, entitlements, and expressions of self-determination of the indigenous, native, aboriginal people, whose ancestors lived and exercised sovereignty in the Hawaiian archipelago that later became part of the United States.

Educated U.S. Congress and Executive Branch on issues important to Native Hawaiians

- Distributed facts about NHGRA, Hawaiian culture, history, and community to U.S. Congress and Administration.
- Submitted testimony in support of the Kalaupapa Memorial and small business act reauthorization, and educated Senate Small Business and House Financial Services Committees on retaining Hawaiians in reauthorization bills.
- Advised and assisted Department of Defense in development of a draft Native Hawaiian Consultation protocol and cultural communications training.

Maintained and expanded a network of allies supporting Native Hawaiian issues at the national level

- Hosted or sponsored more than 30 events, and represented OHA at over 50 Congressional, Administration, indigenous, civil rights and other organization meetings and events.
- Hosted dozens of Native Hawaiians and other visitors to expand access to facts, and recruited Hawaiian students for the first time to scholarship programs with American University and George Washington University.

- Distributed OHA and DHHL joint letter of support for NHGRA to Congress, and Hawai’i mayors’ NHGRA support letters to the Senate. Coordinated with legal advisors who distributed NHGRA issue papers to increase Congressional support of NHGRA.
- Educated Hawai’i about the biased stacking of the Hawai’i State Advisory Committee (HSAC) on civil rights by the U.S. Commission on Civil Rights “Dismantling” (USCCR) intended to control outcomes for the USCCR majority’s anti-diversity agenda. Through an OHA-coordinated community effort, Native Hawaiians and the general public testified and HSAC did not take negative action on NHGRA in 2007.

Maintained a mechanism to collect and disseminate information on issues important to Native Americans.

- Archived reports on pending federal legislation and Federal Register Notices on matters important to Native Hawaiians, and a list of electronic sources of Native information
- Archived copies of the *Ali’i Diplomatic Missions and Other Business Travel to Washington D.C.* Phase 1.
- Partnered with Smithsonian National Museum of the American Indian (NMAI) on a Hawaiian Festival educating over 12,000 visitors, and explored a partnership among OHA and other national museums to educate about Native Hawaiian past, present and future, electronically.

MISSION

OHA’s Strategic Plan Goal 7.13 is to “develop organizational infrastructure to acquire land for preservation, investment or programmatic needs detailed in a comprehensive land policy.” That goal was reached by creating the Land Management (LM) Hale in November 2006 and adopting OHA’s Real Estate Vision Mission and Strategy (REVMS) in June 2007. LM is charged with pursuing the REVMS mission to protect and preserve Hawai’i lands and their cultural significance by:

- Bridging the ancient use of lands with future land use patterns.
- Advocating for land use and transaction practices and regulations congruent with a Hawaiian sense of place.
- Creating financially viable property involvements.

LM does this through land management and acquisition, land and water outreach and advocacy, building alliances, and organizational development.

FY-08 HIGHLIGHTS

LM’s key activity was supporting the Administrator and Trustees in OHA’s pursuit of past due payments owed to OHA from Public Land Trust revenue. LM developed a database of state-owned properties that could be transferred to OHA in lieu of cash; prepared selection criteria and parcel recommendations for Board action; and conducted research and public outreach. LM was actively involved in planning and holding over forty-five briefings statewide on the proposed \$200 million agreement.

Additional LM highlights were:

- Continued strategic management of smaller assets including Pāhūa Heiau and the Waiālua Courthouse on O’ahu and the Kekaha Armory on Kaua’i (home to Ke Kula Ni’ihau O Kekaha Learning Center).
- In Waimea Valley, O’ahu, concluding lease negotiations with the National Audubon Society; assisting in creating Hi’ipaka LLC (a non profit limited liability company to hold and manage Waimea); and overseeing the transition to Hi’ipaka management on February 1, 2008. The director of Land Management serves as one of two LLC managers, guiding the specific mission to perpetuate the human, natural, and cultural resources of Waimea for generations through education and stewardship.
- In the 25,856 acre Wao Kele O Puna rainforest on Hawai’i Island, we continued implementation of a ten year memorandum of agreement with the Department of Land and Natural Resources, including finalizing planning to plug and abandon the geothermal well;

designating the land as a forest reserve; collecting baseline information on forest health; and funding invasive species removal.

- Continuing investigation of proposals for land acquisitions.
- Preparing and delivering testimony on land and water related matters before county councils and the state Legislature.
- Monitoring the state’s implementation of Act 178 (2006) reporting requirements on ceded lands revenue.
- Hosting episodes of OHA’s radio and television programs.
- Overseeing the celebration of the acquisition of Wao Kele O Puna, on August 27, 2008, attended by hundreds of beneficiaries, community members, Governor Linda Lingle, Senator Daniel Inouye, Mayor Harry Kim and other dignitaries.
- Delivering over twenty presentations on OHA land and water management issues to Hawaiian, community, and professional groups locally and nationally.
- Participating in community land management planning statewide.
- Continuing to be OHA’s lead liaison in litigation supporting restoration of stream flows in Nā Wai ‘Ehā, Maui.
- Monitoring community land management grants on Hawai’i and Moloka’i.
- Continuing support for the development of local land trusts including the new O’ahu Land Trust.
- Continuing active membership with the Hawai’i Conservation Alliance, the Land Trust Alliance, the Urban Land Institute, and other organizations.
- Continuing the development of land management through staffing, training, budgeting, and planning.

Kahīāu

True generosity is giving with no expectation of getting anything in return. In times of need, our people often give whatever is needed, be it time, wisdom, material things, or simply aloha. The only expectation is that the same kindness will be extended to others in their time of need.

FY-08 HIGHLIGHTS

Ho'olohe

Nānā ka maka, ho'olohe ka pepeiao, pa'a ka waha: the Hawaiian tradition of learning emphasizes careful observation and *intent listening* to glean the subtleties of the subject at hand. To be a strong, effective leader, one must listen to his or her people and act accordingly to protect their interests.

HAWAIIAN GOVERNANCE

Theresa Bigbie, *Director*

MISSION

Hawaiian Governance (HG) seeks to assist and facilitate the Hawaiian community in creating and building a strong and healthy Hawaiian nation by involving Hawaiian community organizations and agencies and encouraging individual Native Hawaiians to enroll in the Kau Inoa initiative and actively participate in the nation-building process.

Registration activities were conducted at 127 community events resulting in the Kau Inoa registration of more than 90,000 Native Hawaiians.
- HG conducted the following activities in order to disseminate information on Kau Inoa to the Hawaiian community:
 - Placed advertisements in Hawai'i and the Continental U.S. media, including radio, television, Internet, and print.
 - Created a Kau Inoa website and online registration form.
- HG assisted OHA in the co-sponsorship of conferences and community meetings for the Association of Hawaiian Civic Club and other organizations.
- HG published the *Ho'oulu Lahui Aloha* newsletter.

HAWAIIAN REGISTRY PROGRAM

- HG assisted Kau Inoa registrants with verification of their Hawaiian ancestry.
- HG fielded inquiries from around the world via e-mail, telephone, mail, and the OHA website as well as from walk-in visitors at all OHA state-wide offices; this resulted in 1,483 newly issued ancestry verification color photo cards.

HEALTH, HUMAN SERVICES, AND HOUSING

John P. Alamodin, *Director*

HALE MISSION

The Health, Human Services, and Housing Hale (HSHH) encompasses three disciplines that seek to work in partnership with community organizations committed to the betterment of conditions impacting Native Hawaiians in the areas of health, social service programs and housing opportunities.

STRATEGIC PLAN GOALS ADDRESSED/NEEDS SERVED

In order to address OHA Strategic Plan goals for health (Goal 10), social services (Goal 8), and housing (Goal 9), the HSHH contains three sections: Health, Human Services, and Housing.

HEALTH MISSION

The mission of OHA's health discipline is to improve the health of the Native Hawaiian population.

NEEDS SERVED

The health staff represents OHA in its seat as a member of the Native Hawaiian Board of Health with Papa Ola Lōkahi and supported advocacy and capacity-building efforts for a comprehensive plan developed by Papa Ola Lōkahi, the Native Hawaiian Health Care Systems, and the Community Health Centers to facilitate the delivery of health services pursuant to the Native Hawaiian Health Care Improvement Act. Partnerships with other public and private agencies engaged in the health issues of Native Hawaiians will be developed to enhance OHA's support of health initiatives.

HUMAN SERVICES MISSION

The mission of OHA's Human Services program is to better the social conditions of Native Hawaiian beneficiaries by enhancing access to resources, information and services through advocacy, technical assistance and financial support to Hawaiian agencies and other direct service providers.

NEEDS SERVED

Human Services staff engaged in a range of activities that address the social needs of Native Hawaiians, including funding and monitoring social programs; beneficiary advocacy; capacity building of direct service community organizations; legislative and governmental policy change; and participation in state and federally funded coalitions and task forces.

HOUSING MISSION

The Housing section works cooperatively with others to achieve equality in living standards for Native Hawaiians building or rebuilding healthy, self-sufficient Native Hawaiian communities. This includes the planning and implementation of programs that foster the development of safe, decent and affordable housing for Native Hawaiians.

NEEDS SERVED

OHA's housing programs focus on providing home ownership opportunities that particularly fit the needs of Native Hawaiian families. Due to the changing nature of the housing market, OHA also cooperated with agencies and organizations that address other housing-related issues, including affordable rentals, homelessness, transitional housing and creative financing.

Research and planning activities continued as the OHA Housing Plan and Strategy is scheduled for completion in 2008. Guidelines will be outlined to develop multiple pathways to help Hawaiian families with financial literacy and asset building; increased access to affordable rentals; and opportunities to qualify for first-time home ownership.

Aloha 'Aīna

The Hawaiian reverence for and *love of the land* is not a one-way street. In caring for the land, the land will care for us. This symbiotic relationship has existed since time immemorial. Although the socio-political landscape has changed drastically through the generations, we continue this careful stewardship of significant places.

NATIVE RIGHTS, LAND AND CULTURE

Kai Markell, *Director*

MISSION

Native Rights, Land and Culture (NRLC) advocates for the rights, land and culture of the Hawaiian community at the international, federal, state and county levels.

PLANNING, RESEARCH, EVALUATION AND GRANTS

Mona Bernardino, *Grants Interim Director*

MISSION

The Planning, Research, Evaluation and Grants Hale (PREG) provides OHA with timely and effective planning, research, and evaluation in accordance with OHA's vision and mission. PREG betters the conditions of Native Hawaiians by providing appropriate grant funding to non-profit or community organizations to meet the needs of the Native Hawaiian community.

During this fiscal year, the structure and direction of PREG has undergone a transition. In last quarter of the fiscal year, Grants became a separate hale under the Beneficiary Advocacy and Empowerment division; meanwhile, the elements of Planning, Research, and Evaluation have been consolidated into one function.

FY-08 HIGHLIGHTS

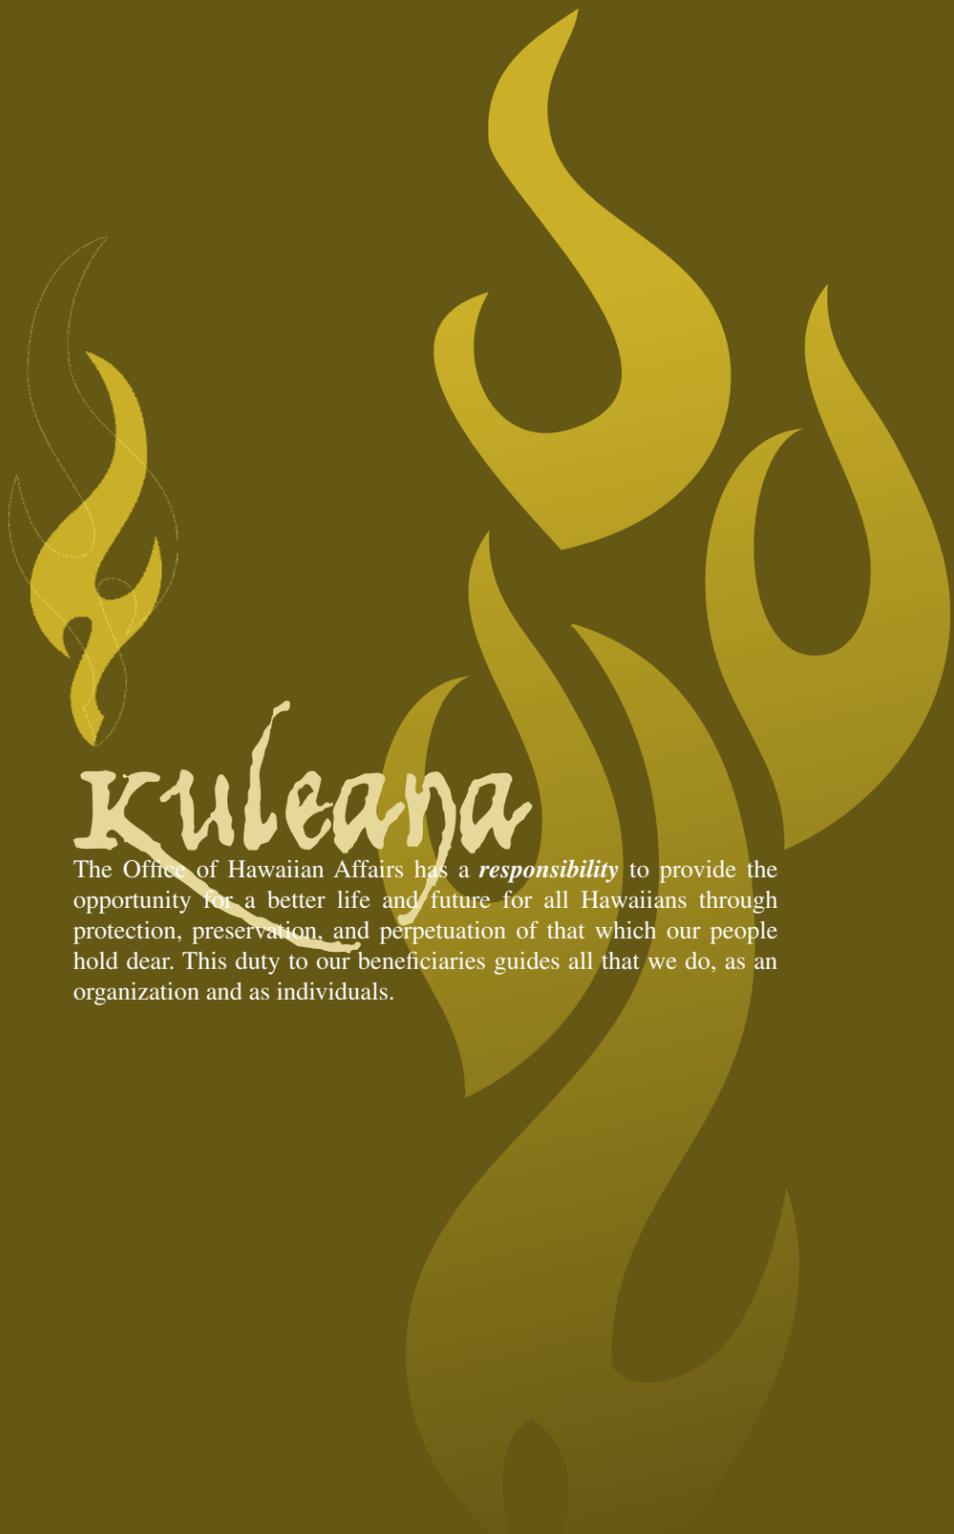

Planning, Research, and Evaluation (PRE)

- Collected beneficiary input regarding "OHA Public Land Trust Settlement" at meetings held on all islands
- Updated hale work plans in preparation for OHA Strategic Plan revamping in FY09
- Continued partnership with University of Hawai'i Center for Training and Evaluation and Research (CTERP) assessing Native Hawaiian well-being
- Contributed support for Kau Inoa Small Grants Program
- Provided contract overview for Mauna'ala, Bishop Museum, and Kawaiaha'o Church.

- The Board of Trustees awarded \$9.64 million to 20 larger initiatives that support multi-year program services and Capital Improvement Projects. OHA funding assisted organizations in leveraging federal, state, county, and private funding to support their projects.

Kuleana

The Office of Hawaiian Affairs has a *responsibility* to provide the opportunity for a better life and future for all Hawaiians through protection, preservation, and perpetuation of that which our people hold dear. This duty to our beneficiaries guides all that we do, as an organization and as individuals.

GOVERNMENT RELATIONS AND LEGISLATIVE AFFAIRS

Ronald B. Mun, *Deputy Administrator*

MISSION

The Government Relations and Legislative Affairs (GRLA) Division is responsible for the promotion, protection and advocacy of Native Hawaiian Rights and entitlements at the federal, state and county levels of Government.

FY-08 HIGHLIGHTS

- Held annual legislative luncheon to brief more than 200 state lawmakers and staff members on the OHA legislative package.
- Reviewed 6,737 pieces of state legislation, tracked 896 legislative measures and submitted testimony on 345 bills. The legislative activities of GRLA were summarized in the OHA 2007-2008 Legislative Report.
- Reviewed and researched numerous proposed federal bills and regulations as OHA continued to voice strong support for the Native Hawaiian Government Reorganization Act of 2007 (S. 310/H.R. 505).

- Provided content and technical coordination for 24 episodes of OHA's award-winning roundtable television production *Ho'oulu Lāhui Aloha - To Build a Beloved Nation*, which airs weekly on 'Ōlelo Community Television, and is also distributed to stations on the neighbor islands and in the Continental U.S.
- Produced 12 two hour segments for OHA's radio show *Na 'Ōiwi 'Ōlino - People Seeking Wisdom*, which airs statewide Monday through Friday mornings.

OFFICE OF BOARD SERVICES

Dean Mark Sr., *Director*

MISSION

The Office of Board Services (OBS) works to improve the efficiency and effectiveness of OHA policymaking, programs and operations, and to manage information needed to reach decisions that lead to the achievement of OHA's mission and goals.

FY-08 HIGHLIGHTS

- Organized and facilitated a successful 2007 State of OHA address with over 500 guests at Saint Andrews Cathedral. Through comprehensive planning, OBS designed a compelling public ceremony, underlining the importance of OHA Chairperson Apoliona's annual address to inform the public of OHA's accomplishments and goals. OBS staff contributed to the success of the event by implementing proper Native Hawaiian protocol; coordinating OHA staff volunteers to provide culturally appropriate luncheon entertainment; planning and implementing a public television and radio broadcast of the chairperson's address.
- Tracked, managed and reported on the administration's fulfillment of 71 actions of the Board of Trustees (BOT), Beneficiary, Advocacy and Empowerment Committee (BAE), Asset and Resource Management Committee (ARM) and joint ARM-BAE committee meetings.
- Coordinated the setup and support requirements for 10 community meetings involving the Public Land Trust Settlement, of which 5 were held on the neighbor islands: Moloka'i, Kaua'i, Maui, and Hawai'i Island in Kona and Hilo. The meetings addressed Senate Concurrent Resolution 49 (SCR 49), requesting OHA and the Attorney General to solicit public input regarding a proposed ceded lands settlement. Approximately 1,400 community members attended the meetings.
- Reduced OBS spending by 3% (\$85,155) by aggressively monitoring supply expenditures and parking validations.
- Serviced 31,214 beneficiaries in fiscal year 2008 with walk-ins, intakes and telephone contacts. Facilitated easy access to programs and other resources for beneficiaries.
- Successfully reduced the overhead postal expenditures and enhanced timely communications between OHA and other business partners. The total number of courier service requests in fiscal year 2008 at the Honolulu office was 1,622, a decline of 24 from the previous year.
- Responded to 3,311 facilities, maintenance and equipment service requests in direct support of over 150 OHA staff including six neighbor island offices. The overall maintenance response time decreased to under four hours, minimizing operational work stoppage and delays in beneficiary service.
- Processed and delivered 33,163 pieces of mail, providing a comprehensive communications system with a highly effective mail process.

Pa'ahana

A good, *productive* work ethic is of high value to Hawaiians. The challenges that face our people are diverse and many, and many more challenges are surely on the horizon. We must work diligently and work hard to address these challenges to the best of our ability.
