ATTACHMENT: 1) Action Item BAE-RM #19-03- Consideration of a Process for the Selection of a Successor Chief Executive Officer
Action Item
Joint Committees on Beneficiary Advocacy and Empowerment and Resource Management
April 24, 2019

BAE-RM #19-03

Action Item Issue: Consideration of a Process for the Selection of a Successor Chief Executive Officer

I. Action:
   To authorize and approve the use of a professional executive search and consulting firm to assist the Committees on BAE and RM for the recruitment and selection of a Chief Executive Officer and to authorize and approve a budget reallocation to move $50,000 from OHA’s FY 19 Core Operating Budget, program code 1100-Board of Trustees, object code 57280-Trustee Allowance, to object code 57110—Services on a Fee Basis.

II. Issue:
   Whether or not the Committees on BAE and RM should authorize and approve the use of a professional executive search and consulting firm to assist the committees for the recruitment and selection of a Chief Executive Officer (CEO) and to authorize and approve a budget reallocation to move $50,000 from OHA’s FY 19 Core Operating Budget, program code 1100-Board of Trustees, object code 57280-Trustee Allowance, to object code 57110—Services on a Fee Basis.
III. Background:
The current CEO contract will expire on June 30, 2019 requiring the recruitment of a CEO. The recruitment process should be initiated immediately to ensure an efficient transition with minimal disruption to the organization.

The Hawaiʻi Revised Statutes (HRS) § 10-10 is as follows:

The board by a majority vote, shall appoint an administrator who shall serve without regard to the provisions of chapter 76 for a term to be determined by the board. The board, by a two-thirds vote of all members to which it is entitled, may remove the administrator for cause at any time.

The OHA BOT Bylaws Article VIII on the Committees of the Board is as follows:

(A) (1) (n) The Committee on Resource Management shall, in consultation with the Chair of the Committee on Beneficiary Advocacy and Empowerment carry out the recruitment and selection of the Administrator.

The OHA BOT CEO Recruitment Policy is as follows:

Chief Executive Officer Recruitment and Selection
3.10.9. The BOT appoints the CEO following a search process for identifying and hiring a CEO. At its first regularly scheduled meeting or special meeting after it learns that the CEO position is vacant or will soon be vacant, the BOT will establish the time period, budget, and arrangements for the hiring process of a new CEO. While the hiring process may involve the use of non-board members or search firms, such arrangements will assure the participation of some Trustees in all aspects of the recruitment and interview process. The full BOT shall participate in the final selection of the CEO from a group of candidates determined to be qualified for the position through an open and fair hiring process. The BOT will immediately commence employment contract negotiation upon selection of the best-qualified candidate.

The BOT Operations Manual figures 45 and 46 offers two recruitment alternatives to include in house recruitment utilizing the OHA Human Resources Department or external recruitment using a professional search firm (see Attachment A – Figure 45. Administrator recruitment and selection and Attachment B – Figure 46. Recruitment Process using a Professional Search Firm). The main difference between these two approaches is whether the OHA HR Department or a professional executive search and consulting firm completes the part of the process that includes advertising for the CEO position, screening the applications, conducting reference checks, and making recommendations to the BOT on the top candidates. All other functions in the process would remain the responsibility of the Trustees to include interviewing and final selection of the CEO.
This action item attempts to harmonize the OHA BOT Bylaws and Executive Policies with HRS § 10-10 relating to the recruitment and selection of a CEO.

IV. Discussion:
OHA has very competent and capable Human Resources staff, but they may have limited experience in recruiting at the executive management level. Usually, there is limited need for executive recruitment and the current CEO was hired eight years ago. Executive level recruitment is a highly specialized area and using a professional executive search and consulting firm will provide the needed expertise, and will save time, money and staff resources. A professional executive search and consulting firm should be utilized for the recruitment of a CEO for the following reasons:

- Professional executive search and consulting firms have knowledge, experience and expertise in searching for executive management staff.
- The recruiting process is faster through a professional executive search and consulting firm that is continually tapped into the talent marketplace. For every day that a key opening remains unfilled, other employees must fill the gap taking away time from their own duties and responsibilities.
- Professional executive search and consulting firms usually have an extensive network of contacts, are able to work discretely and maintain a database or list of qualified candidates and can usually provide an immediate list of the best candidates available within 2 to 4 weeks of their retainment.
- Search and consulting firms act as an unbiased party providing a fair recruitment process.
- They can help to ensure the position description, salary, and responsibilities are relevant and current in terms of the market.
- Search and consulting firms have the ability to conduct extensive background searches and verify specific credentials for each potential candidate they find. Firms are able to approach these candidates to vet their interest in the position, interview them, evaluate them and form candidate profiles.
- They are able to narrow down the potential candidate list after undertaking candidate interviews and present a more defined list to OHA. This will allow the Trustees to choose their selected candidates and conduct their own interviews to choose the appropriately fitted individual for the position without wasting valuable time and expense.

The cost of using a professional executive search and consulting firm will be around 25%-30% of the CEO annual salary or approximately $37,500-$45,000 at the current salary level. To compare this to the cost of keeping the function in-house you would need to include advertisement costs along with a large amount of HR staff time needed to conduct
outreach, review and screen the applications, conduct reference checks, and make recommendations to the Trustees. This would shift a large amount of HR staff time away from normal daily operations and would not produce the same results that could be achieved through a professional executive search and consulting firm.

The use of a professional executive search and consulting firm will require OHA to undergo an appropriate procurement process to comply with state procurement laws found in HRS § 103D.

V. Certification of Funding Availability:
The funds required for this Action Item are currently available from OHA's FY 19 Core Operating Budget, program code 1100-Board of Trustees, object code 57280-Trustee Allowance and need to be reallocated to object code 57110 – Services on a Fee Basis.

Sylvia M. Hussey, Ed.D.
Acting Chief Financial Officer/Chief Operating Officer

VI. Recommended Action:
To authorize and approve the use of a professional executive search and consulting firm to assist the Committees on BAE and RM for the recruitment and selection of a Chief Executive Officer and to authorize and approve a budget reallocation to move $50,000 from OHA’s FY 19 Core Operating Budget, program code 1100-Board of Trustees, object code 57280-Trustee Allowance, to object code 57110 – Services on a Fee Basis.

VII. Alternative Action:
A. Do not approve the use of a professional executive search and consulting firm to assist the Committees on BAE and RM for the recruitment and selection of a Chief Executive Officer.

B. Approve the use of the OHA Human Resources Department to assist the Committees on BAE and RM for the recruitment and selection of a chief Executive officer.

VIII. Time Frame:
Immediate action is recommended.

45. Administrator recruitment and selection

45.a. The Board of Trustees appoints the Administrator following a search process for identifying and hiring an Administrator. While the hiring process may involve the use of non-board members or search firms, such arrangements will assure the participation of some Board members in all aspects of the recruitment and interview process. The entire Board shall participate in the final selection of the Administrator from a group of candidates determined to be qualified for the position through an open and fair hiring process. The BOT will immediately commence employment contract negotiation upon selection of the best qualified candidate. The recruitment of the Administrator may be conducted with assistance from a professional recruitment firm or in-house with assistance from the OHA Human Resources Department. Both of these processes are outlined below.

Figure 45. In-House Recruitment Process using the OHA HR Department
