Purview. The purview of the PIG is for the Board of Trustees (BOT or Board), BOT staff and OHA Administration staff to work together to investigate the initial steps in the first phase of work for the development of Kakaʻako Makai. The first phase of work includes activities to learn (e.g., due diligence, objectives, vision, understanding current zoning and market conditions), plan (e.g., mission, understanding constraints, entitlements, functionality, utility), and recommend (e.g., vision, outcome, values immediate, long-range impact, performance).

Members. The membership of the Permitted Interaction Group is proposed as follows: (a) Trustee Carmen Hulu Lindsey; (b) Trustee Leinaʻala Ahu Isa; (c) Trustee John Waihee, IV; and (d) Trustee Kalei Akaka. Trustee Carmen Hulu Lindsey will serve as the Chair of the Permitted Interaction Group and Trustee Leinaʻala Ahu Isa will serve as its Vice Chair. Casey K. Brown, Ka Pou Nui, will function as the Project Manager.

Term/Duration. The term of the Permitted Interaction Group expires at the completion of the assigned tasks or at the discretion of the Chair of the Board of Trustees, subject to later adjustment, but in no event later than November 5, 2021.

II. Issue

Whether or not the Board of Trustees (BOT) will approve the formation of a Permitted Interaction Group (PIG), consistent with Hawaiʻi Revised Statutes §92-2.5(b)(1), to investigate the initial steps in the first phase of work for the development of Kakaʻako Makai.

III. Background and Discussion

A. Applicable Law in Hawaii Revised Statutes, Permitted Interaction Groups

In accordance with HRS, CHAPTER 92, PUBLIC AGENCY MEETINGS AND RECORDS §92-2.5 Permitted interactions of members: (b) Two or more members of a board, but less than the number of members which would constitute a quorum for the board, may be assigned to: (1) Investigate a matter relating to the official business of their board; provided that: (A) The scope of the investigation and the scope of each member’s authority are defined at a meeting of the board; (B) All resulting findings and recommendations are presented to the board at a meeting of the board; and (C) Deliberation and decision making on the matter investigated, if any, occurs only at a duly noticed meeting of the board held subsequent to the meeting at which the findings and recommendations of the investigation were presented to the board.

B. Setting Context for the Formation of a Third Permitted Interaction Group

1. Land and Commercial Property Permitted Interaction Group #1 Formation & Report. Via Action Item #21-01 on January 28, 2021 the Board authorized a PIG to investigate the development of land and commercial property (“LCP”) policies and strategies relating to the development of OHA’s Nā Lama Kukui and Kakaʻako Makai properties (“LCP PIG”). The purview of the LCP PIG was for the Board of Trustees...
Action Item BOT #21-14: Approve the Formation of a Permitted Interaction Group to Investigate the Initial Steps in the First Phase of Work for the Development of Kaka'ako Makai

(BOT), BOT staff and OHA Administration staff to work together to investigate the: (1) Development, alignment, and updates related to land and commercial property policies and strategies relating to the development of OHA’s Nā Lama Kukui and Kaka’ako Makai; (2) Implications of other fiscal policies’ impact on land and commercial properties (e.g., investment, spending) relating to the development of OHA’s Nā Lama Kukui and Kaka’ako Makai properties; (3) Identification, articulation and formulation of strategies relating to the development of OHA’s Nā Lama Kukui and Kakaako Makai properties; and (4) Alignment of the formulated policies and strategies with the strategic plan 2020-2035 implementation.

The report of the LCP PIG was delivered to the Board on April 8, 2021 and was accepted via Action Item BOT #21-03 on April 15, 2021 (LCP PIG #1 Report). The report covered the results of the LCP PIG’s work: Nā Lama Kukui Long Term Strategies; Kaka’ako Makai Long Term Strategies, Requests for Proposal Related to Kaka’ako Makai, Land and Commercial Property Policies, Other Fiscal Policies, Alignment with the Strategic Plan 2020-2035 Implementation and Next Board of Trustees Actions, including Permitted Interaction Groups. Each section of the report began with a context setting section, a section that describes the authorized PIG’s work and related recommendations.

2. 3rd Party Assistance. The following is an excerpt from the LCP PIG #1 report which provides the continuing basis and context for subsequent PIGs:

“PIG Investigative Work. The investigative work of the PIG illuminated the need for professional 3rd party assistance in the furtherance of development and deployment of strategies for Nā Lama Kukui (NLK) and Kaka‘ako Makai (KM). Working definitions and descriptors of such 3rd party assistance is provided below in support of recommendations. While working descriptors below reflect KM application, engagement of 3rd party assistance can further NLK strategies as well.

a. Development Consultant. Provides planning, consultative, analysis, review, validation and other services as needed, spanning the period from inception of engagement through the period of time to develop a Kaka‘ako Makai, Land Development Plan, including implementation (e.g., regulatory approval, development, construction, tenant occupancy) of the first project in the Master Plan.

b. Community Planner. Prepares and delivers a Land Development Plan to include a vision, physical master plan and implementation strategies to guide the future development opportunities of the Kaka‘ako Makai, thirty (30) acres of land considering all of the related attributes (e.g., size, characteristics, height, use or other restrictions).

c. Developer. Real estate or property development encompasses a range of activities such as renovation and releasing of existing buildings, purchase and finance of raw land and sale of developed land to others. Developers coordinate all activities from converting ideas from paper to tangible real property. While there are similar activities, real estate development as a business process does differ from construction or house building Entity is responsible to determine the marketing of the property, develop the building program and design, obtain the necessary public approvals and financing, build the structure(s), rent out, manage.

Recommendations re: 3rd Party Assistance
The following recommendations were made by the LCP PIG #1:

1. Select and engage a Development Consultant within OHA derived parameters for Kaka‘ako Makai;

2. Select and engage a Community Planner within OHA derived parameters for Kaka‘ako Makai; and

3. Select and engage a Developer based on determined development, including financing, construct (e.g., ground lease, joint venture, public-private partnership) for the initial authorized project(s)”

3. Land and Commercial Property Permitted Interaction Group #2 Formation & Report. Via Action Item BOT #21-05: Approve the Formation of a Permitted Interaction Group (PIG) to Investigate: and Recommend a Short List of Eligible Entities for Selection of a Development Consultant; Land and Commercial Property Policies; and the Development and Implementation of a Request for Proposal for a Community Planner, dated April 15, 2021, a second land and commercial property (LCP) PIG was authorized and formed.

The report of the second LCP PIG was delivered to the Board on June 17, 2021, discussed and accepted via Action Item BOT #21-07 on June 24, 2021. The report summarized the following PIG investigative activities and related recommendations:

a. Purview 1. Acknowledge the release of Request for Proposal (RFP) NO. LA 2021-022 In House Development Consultant (IHDC) and review the associated evaluation process which provides the broadest participation and contribution of the entire Board;

b. Purview 2. Delegate to Administration the responsibilities to review and update the following policies, returning to the Board with recommendations: Real Estate Vision, Mission and Strategy Policy, June 6, 2007; and Committee on Land and Property, Policy Guidelines, Adopted July 3, 2014; and

c. Purview 3. Suspend the process for development of a RFP for a Community Planner, until the completion of RFP-LA 2021-022, In House Development Consultant to allow for optimized insights and improvements.

INTENTIONALLY LEFT BLANK
C. Considering and Combining Recommendations from LCP PIGs #1 and #2 with New Information to Inform a Third (3rd) PIG

Since the acceptance of LCP PIG #2’s report in June 2021, the Board completed procurement, selection and contracting activities to engage with the selected IHDC team by the end of September 2021.\(^1\) Preliminary engagement, planning and sense making activities with the IHDC, coupled with explicit policy work delegated to Administration, the recommended suspension of a RFP process for a Community Planner (from LCP PIG #2 above), and reflective view and discussions, provide the opportunity for the Board to form a third (3rd) PIG to focus on initial next steps in the first phase of the work.

IV. Formation of a Third (3rd) Land and Commercial Property Permitted Interaction Group (PIG) to Investigate the Initial Steps in the First Phase of Work for the Development of Kaka‘ako Makai

Approve the formation of a Permitted Interaction Group (PIG) to investigate the initial steps in the first phase of work for the development of Kaka’ako Makai including the following purview, members and term/duration:

**Purview.** The purview of the PIG is for the Board of Trustees (BOT or Board), BOT staff and OHA Administration to work together to investigate the initial steps in the first phase of work for the development of Kaka’ako Makai. The first phase of work includes activities to learn (e.g., due diligence, objectives, vision, understanding current zoning and market conditions), plan (e.g., mission, understanding constraints, entitlements, functionality, utility), and recommend (e.g., vision, outcome, values immediate, long-range impact, performance).

**Members.** The membership of the Permitted Interaction Group is proposed as follows: (a) Trustee Carmen Hulu Lindsey; (b) Trustee Leina’ala Ahu Isa; (c) Trustee John Waihee, IV; and (d) Trustee Kalei Akaka. Trustee Carmen Hulu Lindsey will serve as the Chair of the Permitted Interaction Group and Trustee Leina’ala Ahu Isa will serve as its Vice Chair. Casey K. Brown, Ka Pou Nui, will function as the Project Manager.

**Term/Duration.** The term of the Permitted Interaction Group expires at the completion of the assigned tasks or at the discretion of the Chair of the Board of Trustees, subject to later adjustment, but in no event later than November 5, 2021.

V. Funding Source

No dedicated funding is needed to authorize and form a PIG to investigate the initial steps in the first phase of work for the development of Kaka’ako Makai. Resources budgeted in the FY 21 commercial property budget have already been committed for an in-house development consultant (IHDC) and non-core operating budget realignment mechanisms have been activated for future FY 22-23 non-core funding needs. Any resources needed to carry out related activities will conform with existing budgetary (e.g., realignment), spending and procurement authorities, policies and procedures.

---

\(^1\) The “In-House” Development Consultant (IHDC) will work for the OHA as its trusted advisor responsible for managing the entire development process; coordinating the work of the development team, and serving as a central point for communication to facilitate decision making. The IHDC shall also assist the OHA by providing additional resources and expertise to accomplish negotiated task assignments. (RFP No LA-2021-022)
