An amount of moneys to be repaid by the GRANTEE may be offset against the amount of moneys withheld by OHA in determining the amount of the final payment to be made to the GRANTEE in final settlement of this Agreement. Final settlement of this Agreement shall include submission and approval by OHA of all reports and other materials required to be submitted by the GRANTEE to OHA, resolution of all discrepancies in expenditures or performance of services, and satisfactory completion of all other outstanding matters required under this Agreement.

OHA may also take into consideration material noncompliance and determine that a Grantee is ineligible for future OHA grants indefinitely, i.e., the Grantee owes and does not reimburse grant funds to OHA.

4.7.6.6 Ineligibility Determination Date

• The ineligibility determination date shall be the date that the GP Manager has deemed the Grantee ineligible for future grants, the end date of the Grantee’s grant agreement or the date the grant was terminated.
For grants that have not been terminated, the GP Specialist shall send the Grantee a notice of ineligibility that includes an ineligibility determination date.

The notice shall be sent to the Grant’s primary contact and fiscal sponsor, if applicable, and shall be sent via certified mail to Grantee’s designee and to the address provided in the Notices provision of the Grantee’s Grant Agreement.

- The GP Manager will take into consideration Grantee’s noncompliance, factors that resulted in noncompliance and Grantee’s actions implemented to ensure that noncompliance will not be repeated.
- The GP Manager will review the Grantee’s reconsideration request including all documentation provided. If the request to remove the Grantee from ineligibility status is approved, the Grantee must provide a written assurance that the Grantee has the capacity and capability to manage an OHA grant. Upon receipt and approval of the written assurance, the Grantee’s status shall be changed from ineligible to eligible. The Grantee shall receive a notification of the status change and the Grantee’s status will be changed in the OHA Grants Portal. The notice shall be sent to the Grant’s primary contact and fiscal sponsor, if applicable, and may be copied to the Grantee's and sponsored organization’s Board President and/or lead administrator.

- The GP Manager will review the Grantee’s reconsideration request including all documentation provided. If the request to remove the Grantee’s ineligibility status is approved, the Grantee must provide a written assurance that the Grantee has the capacity and capability to manage an OHA grant. 4.7.8 Sponsored Organization
A sponsored organization is an organization that does not have an IRS nonprofit designation and has a fiscal sponsor submit a grant application on its behalf. The noncompliance provisions herein apply to the sponsored organization.

4.7.9 Grant Amendments
Grantees are required to make a formal request in writing for an amendment to a Grant Agreement if the change proposed will result in a significant modification to an approved project. Conditions under which Grantees must request a Grant Agreement amendment are as follows, but not limited to the below:

Budget Changes. A revised budget must be requested if changes in a budget line item is needed. A revised budget is also required when line items are added or deleted from the original approved budget or the most recently approved revised budget. All budget revisions must be signed by the financial officer responsible for the grant and include an itemized, revised budget and compared to the original or most recently approved revised budget.

- Period of Performance “No Cost Extension” – GP Manager may extend the expiration date of a grant if additional time is required to complete the project or the orderly phase-out of the project. The Grantee shall provide a justification for the grant extension. The fact that funds remain at the expiration of the grant is not, in itself, sufficient justification for an extension. The extended period of performance is determined by the GP Manager and may be up to 12 months from the original expiration date of the grant.
- Statement of Work Changes
  - Changes in the direction, scope, or objectives of the approved project.
  - Changes to specified firms, vendors, or individuals stipulated in the scope of work to provide services for the project.
  - Changes in the location(s) of services that are not in conformance with Grantee’s contract requirements.
- Other Changes – Changes in significant terms or conditions.
- For minor budget amendments the process is as follows:
  - A request for a minor budget amendment must be submitted at least SIX (6) weeks before the end of the approved "Period of Performance" in order to be considered for approval. A minor budget amendment is a 25 percent or less change in any budget activity or line item or budget change that does not have a significant impact on the grant.
  - The Grantee shall submit a signed OHA Grant Amendment Request form. The request will be reviewed by the GP Specialist and the GP Manager based on the criteria outlined below.
  - If the GP Manager recommends approval of the request, the GP Specialist and the GP Manager shall sign the form and include a hard copy in the grant file and the Grantee’s OHA Grants Portal file.
For significant modifications including major budget modifications, period of performance or statement of work changes, the process is as follow:

- Any requests for a Grant Agreement amendment must be submitted at least SIX (6) weeks before the end of the approved "Period of Performance" in order to be considered for approval.
- If the GP Manager recommends approval of the request, the GP Specialist shall issue a formal Grant Agreement amendment that will be circulated for review and signature by the authorized officials of OHA and Grantee (refer to Grants Program Standard Operating Procedures, Grant Agreement Routing for Execution under Item 4.6.3 “Contracting”).

Amendment Review Criteria. Criteria to be met for approval of contract/Grant Agreement amendments are as follows:

- Circumstances requiring the change are beyond the control of the Grantee.
- Circumstances that were not and could not have reasonably been anticipated.
- Modification does not alter the direction of the original proposal in a critical way.
- Modification is feasible within the programmatic, fiscal, and time constraints of the Grant Agreement.

4.7.10 Termination of Grants by OHA
Termination is the cancellation of a grant, at any time prior to its expiration, for non-compliance with the terms and conditions of the Grant Agreement or for other reasonable cause. The Grantee must be informed beforehand of OHA’s intended action, the reasons for the termination, and given the opportunity to correct deficiencies in accordance with the Noncompliance Policy. The GP Specialist shall devise a termination letter to the grantee. The termination letter must be reviewed by both the GP Manager as to content and Corporate Counsel as to form. The termination letter must also be reviewed by the CEO for approval. The GP Manager signs the final approved termination letter. The letter shall be sent to the Grant’s primary contact and fiscal sponsor, if applicable, and shall be sent via certified mail to the Grantee designee to the address provided in the Notices provision of the Grantee’s Grant Agreement.

4.7.11 Program Process Reporting
During each cycle and phase, the GP Specialist will generate various process reports to aid in tracking current process volumes, noting process efficiencies, applicant and process phase status, and any other insights regarding the process cycle:

- The Grants System Administrator will generate program cycle process reports throughout the application process that track at a summary and detail levels various data elements.
- Report(s):
  - Status of contracts in monitoring phase (e.g., scheduled date of site visit, invoices, quarterly assessment report, closed).

4.7.12 Deliverable Documentation
The following documents support the Monitoring step in the program/process/cycle: Grant Quarterly Progress Report, Grant Assessment Report, On-Site Monitoring Report and Grant Amendment Request Form.
4.7.13 Close of Grant

- Upon receipt of Grantee Final Reports, GP Specialist completes Grant Closeout Report and submits to Lead Specialist and GP Manager for review and approval.
- Upon approval of the Grant Closeout Report, the GP Specialist checks the final payment box on the Payment on Contract form to initiate the closeout of the grant purchase order. The final payment is processed and sent to the Grantee. The GP Specialist uploads a copy of the Payment on Contract form and check to the Grantee’s file in the OHA Grants Portal and completes the online form.
- A closeout notification is sent to Grantee. The notification shall include a determination on whether the Grantee is eligible for future grant funding. The GP Specialist shall include the notification in the Grantee’s file in the OHA Grants Portal.
- If Grantee has not fully expended OHA funds and a final payment will not be made, the appropriate FSP form is completed and submitted to appropriate Financial Services Program (FSP) staff.
- If it has been determined that the Grantee was overpaid, the Grantee is required to reimburse OHA. The GP Specialist shall notify the GP Manager, complete the reimbursement documents, and follow-up with the Grantee for reimbursement. If unpaid, the GP Specialist shall document inability to collect payment. OHA can determine how to proceed regarding collection in consultation with Financial Services and communication of such action (e.g., organization, Trustees, beneficiaries).

It shall be the responsibility of the GRANTEE to maintain close and frequent communication with the Grant Specialist at all stages of the work required under this Agreement. The GRANTEE shall coordinate and schedule site visits with an OHA representative as OHA deems appropriate in OHA’s sole discretion. 3. INDEPENDENT GRANTEE STATUS AND RESPONSIBILITIES

In the performance of the services required under this Agreement, the GRANTEE shall be an "independent grantee" (which status shall be considered for all purposes the same as that of an independent contractor) with the authority to control and direct the performance and details of the work and services required under this Agreement; however, OHA shall have a general right to inspect the work in progress to determine whether, in OHA's sole opinion, the services are being performed by the
GRANTEE in accordance with the provisions of this Agreement. The GRANTEE shall be responsible for payment of applicable income, social security, and any other federal, state, or county taxes and fees.

The GRANTEE further acknowledges and agrees that accepting and depositing grant funds from OHA does not in any form or manner further obligate or impose any legal obligations upon OHA for GRANTEE’s project. All relevant legal obligations and liabilities are the sole responsibility of the GRANTEE and any of its subcontractors. GRANTEE shall also acknowledge the support of OHA in all publicity, publications, and other materials produced in connection with this Agreement and shall prominently cite the underwriting/sponsorship of OHA in any promotional events and materials, which become an integral part of the effort.
