"Thriving Hawaiian Children"
In response to the global pandemic COVID-19, Lili’uokalani Trust (LT) is offering support to small businesses including non-profits who are seeking financial assistance through Small Business Administration (SBA) programs and other programs.
Why is LT doing this work?

LT’s support is to ensure small businesses that operate in underserved communities have access to the resources they need to...

- continue services
- pay their bills
- keep ‘ohana and kamali’i employed
- sustain and rebuild resilient communities
What does LT’s technical assistance include?

- Assessment
- Navigate funding programs
- Prepare financial information
- Assist in completing, packaging and submitting applications
- Guidance with follow-up
