TO: Chief Procurement Officer  
FROM: Office of Hawaiian Affairs  

Name of Requesting Department

Pursuant to HRS §103D-306 and HAR chapter 3-122, Subchapter 9, the Department requests sole source approval to purchase the following:

1. Describe the goods, services, or construction to be procured.
   Provide internet service for our Hilo office with a minimum of 50 Mbps.

2. Vendor/Contractor/Service Provider Name: Spectrum

3. Amount of Request: $1,400.00

4. Term of contract (shall not exceed 12 months), if applicable:
   From: 20-Apr-18 To: 19-Apr-19

5. Prior SPO-001, Sole Source (SS) No.: N/A

6. Describe in detail the following:
   a. The unique features, characteristics, or capabilities of the goods, service or construction.
      The unique feature that we are looking for is the minimum of 50 Mbps

   b. How the unique features, characteristics or capabilities of the goods, service or construction are essential for the department
      Due to the upgrade to Microsoft 365, we needed a higher internet speed for our Hilo office to be able to communicate with the main office on Oahu and participate in our web conferencing. Our IT department determined a minimum of 50 Mbps would be sufficient in order for the Hilo office to have proper connection.
7. Describe the efforts and results in determining that this is the only vendor/contractor/service provider who can provide the goods, services or construction.

After researching which internet service providers service the Hilo area, I contacted them and discovered that there was only one service provider (Spectrum) that was able to meet our minimum of 50 Mbps needed. Many of them did not qualify due to the following: Level 3 & Sandwich Isles - do not service the area, TW Telecom, Hawaiian Telcom - can't meet the minimum 50 Mbps needed, Visat, Microm - satellite provider only and Directv Big Island - only designated for customers who are off the grid.

8. Alternate source. Describe the other possible sources for the goods, services, or construction that were investigated but did not meet the department's needs.

9. Identify the primary responsible staff person(s) conducting and managing this procurement. (Appropriate delegated procurement authority and completion of mandatory training required.)
   *Point of contact (Place asterisk after name of person to contact for additional information).
