6. Explain in detail, why it is not practicable or not advantageous for the department to procure by competitive means:
   There are currently no local vendors in Hawaii that can provide this service which forces us to source this service out-of-state.
   Currently there are no companies that are compliant with the Hawaii Department of Commerce and Consumer Affairs (DCCA).
   Multiple attempts were made to contact different vendors to request that they register at the Hawaii Compliance Express site (https://vendors.ehawaii.gov/hce/) but we received no response.

7. Explain in detail, the process that will be or was utilized in selecting the vendor/contractor/service provider:
   The Community Engagement team held meetings to discuss the desired specifications from an email service that can serve up to 50,000 email subscriptions to include but not limited to: Email marketing unlimited sends, Customizable templates, Real-Time Tracking and Reporting, Website Analytics, Contact List Import, 6-10 distinct users (3 for CO, 3 for DPM), Unlimited audiences and audience segmentation, Phone technical support, Must pass the outlook spam filter, Built-in Social Media Links, Built-in ads, Mobile-responsive Website, Social Media Account Linking.
