5. Prior SPO-007, Procurement Exemption (PE):

6. Explain in detail, why it is not practicable or not advantageous for the department to procure by competitive means:
   Current market conditions in the travel industry does not provide an advantage for OHA in the procurement of hotel accommodations, air fare (including ticketing and coupons), and other travel related incidental costs by competitive means under 103D. Reservations can be made via the internet, direct with airlines, hotels, car rental companies, on-line travel websites, and traditional travel agencies offering competitive rates. On-line and direct reservations are more efficient offering immediate confirmation, better trip planning, and additional savings through web offers and on-line discounts.

7. Explain in detail, the process that will be or was utilized in selecting the vendor/contractor/service provider:
   The most competitive fares and rates are obtained through a comparison of on-line and direct quotes of travel services. The decision to book with a specific vendor is inclusive of the actual fare/rate plus any additional fees relating to the cost of travel/accommodations.
8. Identify the primary responsible staff person(s) conducting and managing this procurement. (Appropriate delegated procurement authority and completion of mandatory training required).
